IN THIS 1982 EDITION OF THE BELTONIAN, WE THE STAFF, HAVE TRIED TO "FIT IN" THE ACTIVITIES, SPORTS, INTERESTS AND PERSONALITIES OF THE YEAR AT BELTON HIGH SCHOOL. AT THE URGING OF SOME ZIGGY FANS, WE OBTAINED PERMISSION FROM ARTIST TOM WILSON AND AMERICAN GREETINGS CORPORATION TO USE "OUR LITTLE FRIEND". (AS WE SECRETLY REFERRED TO HIM THROUGHOUT THE YEAR) ZIGGY WAS KANSAS CITY BORN AND HAS FOR THE PAST TEN YEARS HAD TO "FIT IN" TO MANY DIFFERENT SITUATIONS. HE HAS ACCOMPLISHED THIS WITH A "TAKE IT ALL IN STRIDE" ATTITUDE AND SUBTLE HUMOR. ADDING A CARTOON CHARACTER TO OUR PAGES WAS A FIRST FOR THE BELTONIAN. WE HOPE HIS CONTEMPORARY WIT AND AGELESSNESS ADD TO YOUR ENJOYMENT OF THIS UNIQUE BOOK. OUR THANKS TO TOM WILSON WHO STATED HE WAS ... "LOOKING FORWARD TO SEEING ZIGGY IN BELTON-LAND".

WHAT IS DIFFERENT

AROUND

Every year something at Belton High School changes. New rules are enforced. New programs are started or revised. New people are at the school. All of these changes reflect upon the students of B.H.S. Pom Pon girls were added to the band program this year. They developed out of a need to have someone to march with the band during performances. Roberta Keister, captain, said "The Pom Pon squad adds color and uniqueness to the band. We also give extra support at contests."

The advisement program was revised this year. Instead of release time being given periodically, advisees now meet with their advisors during activity period on Wednesdays. If the teacher has nothing to discuss with the student then the student has a free activity period. The program was revised because the administration felt release time was being abused and that the class when released had nothing to do. Many students feel every week is too much and unnecessary.

Moving of the smoking hole including new rules regulating it was a headline. The new area is hidden behind the building. Smoking is now limited to before and after school and during lunch. A school petition filed to allow smoking during activity period was turned down by the school board.

Another change at B.H.S. was raising the school lunch price from 80¢ to \$1.00. Many students felt this was too expensive, but continued to buy it because of convenience.

Advisement?
I had that last
week!

Is the student spirit ratio fading? In a survey conducted by a psychology class, 36 Seniors said yes, 7 said no. When the juniors and sophomores were asked, the juniors said 31 yes, 17 no, Sophomores 61 yes, 7 said no. This survey was taken from two hundred students at BHS.

Most people think of spirit in one way, but actually there are many more ways to show spirit than by screaming and yelling at pep rallies and sporting events. Other ways of showing school spirit are club activities, raising money, going to tournaments, writing articles for the newspaper, and making posters & banners.

Each student can find his own way to get involved & be spirited.

FOREIGN

Among the students at B.H.S. are six from foreign countries. Some are participating in foreign exchange programs. Others have moved to Belton with their families.

José Gilly, from Valera, Venezuela, is staying with Ms. Connie Racer, a Yeokum teacher. His brother, Ricardo, attended Belton in '80. Jose, who plans a journalism career, likes to play basketball, and soccer. Arepas (pancakes) and hamburgers are his favorite foods.

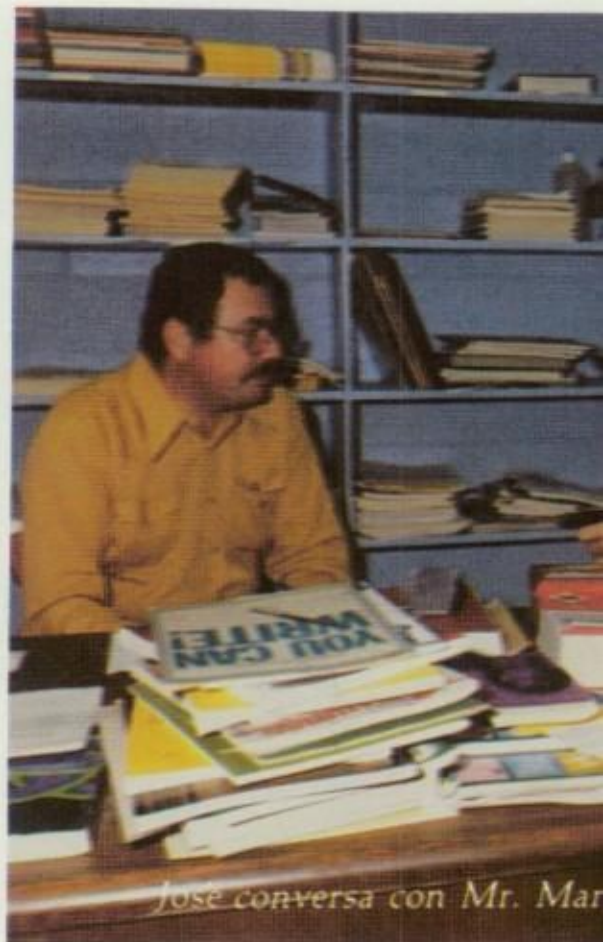

Sa Patpai, a Beltonite two years, is from Yasothon, Thailand. Looking up words she does not understand is how Sa spends free time. Her friend Lisa Brady, commented, "She is very anxious to learn new things and has been a great inspiration to me."

Nick Bouphanouvong is from Vientiane, Laos. The big event in his life was his marriage to Carolyn Ganey, a B.H.S. student, in October.

Eung Kyu Ko is from Basok, Korea and plans a career in the Air Force. Being from a small farming community the biggest change that he has made is adjusting to city life.

Eung Hwa Ko enjoys country music and soccer. He believes the careers people have in the U.S. are very unique.

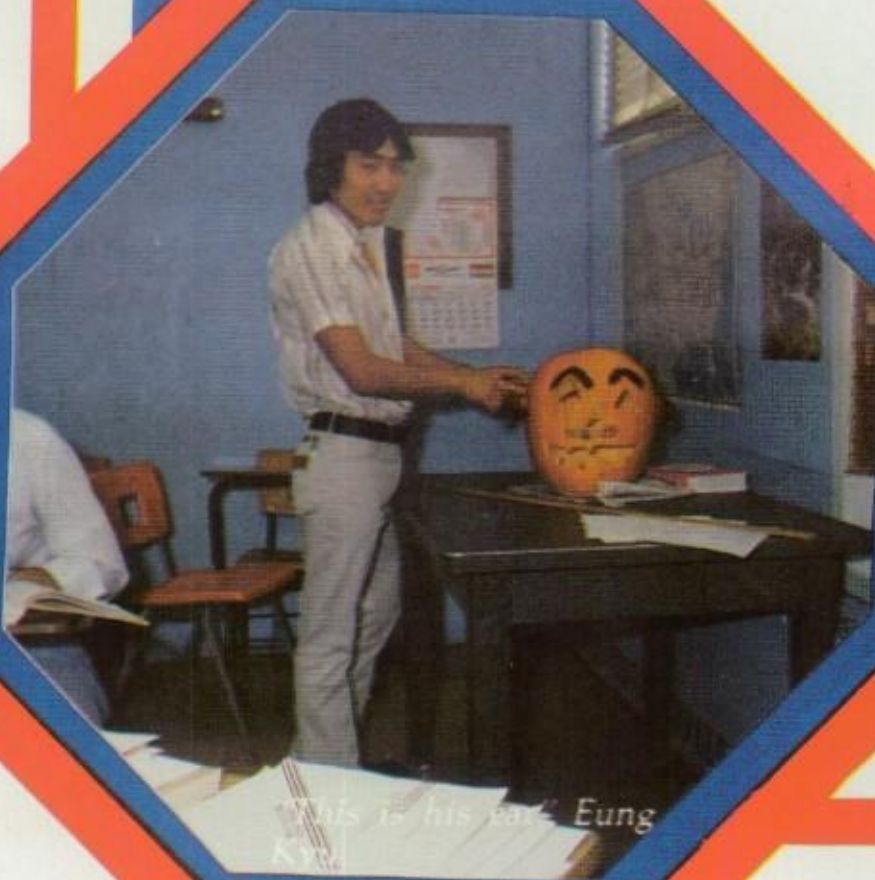

From Windsor, Canada is Dan Roy who plans a career as a veterinarian. Changing from Canadian to American measurements were difficult for him.

MONEY

Money, one of the things most of us need to have enough of. By a random survey at Belton High School, students spend a majority of their money for gas. Second on the list are most students are items such as clothes, food, entertainment and dating. Many people have hobbies such as nick-nack collecting, music, crafts, cooking, hunting and sports that require special equipment. Dea Ulrich, senior, uses her hobby of sewing to save money on her own clothes and to earn money as a seamstress for others. Angelo Combs, senior, has a child, Ed, who requires a lot of money.

To earn money many students work. Some are employed at fast food places such as McDonalds and Hardee's. Others work in retail establishments like Walmart, Macy's and TG&Y. Parish Foster, senior, is employed in his family's business. A few students babysit for the majority of their money and some receive an allowance from their parents.

Saving is probably one of the hardest things to do with money. Several students have savings accounts. Others choose to invest their money in cars, projects to save rare objects or in themselves.

IT GO?

IT'S ALL IN THE NAME

LEVI'S? WHAT'S THAT?

The fashions today follow trendy big name designers such as Calvin Klein, Gloria Vanderbilt, Bill Blass, and Oscar de la Renta. To be in style, students sport designer name jeans — all tagged on the behind and giving free advertising while they wiggle through the halls. The big names also carry a big price. Students have been known to pay \$50.00 for some pants. The "Preppie" look is still prevalent. This includes button down Collars, sweaters tied or draped around shoulders, ribbon ties, knickers, and an overall expensive sporty look. Alligators are on chests everywhere. One little "critter" can turn a simple pullover shirt into the "coolest" thing to wear overnight. (Of course, there's always the fox for competition) Western gear, and the URBAN COWBOY look is also good in '82. Hats are back and boots complete most any outfit.

THE REDNECKS

A "Redneck" wears a cowboy hat and chews tobacco. They have a permanent circle on their pocket from where they carry their "Skoal". They wear boots, jeans, and sometimes Trucker Baseball caps. These BHS cowboys drive "pick'em up" trucks, and listen to 61 country. Their idols are Kenny Rogers, Willie Nelson, and Waylon Jennings. They like to start trouble by teasing and picking on each other. When asked why they stand by the front doors, Allen Henderson replied "If there's trouble, it's easy to get out!"

SOUL SISTERS & BROTHERS

The majority of black people at BHS listen to KPRS, and they can usually be found with a radio in hand. They enjoy "sporting" the latest threads. They jive walk to idols of Teddy Pendergrass, The Jacksons, The Gap Band, and Cameo. When you see them you'll hear "What's Happening?"

THE JOCKS

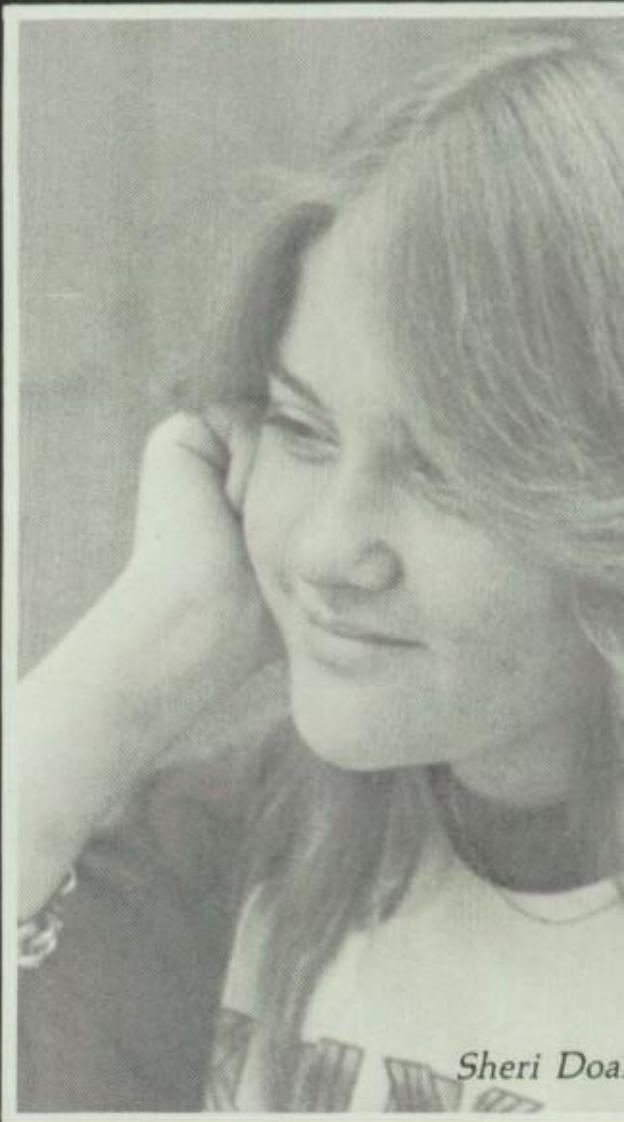

Jocks always seem to have money. They wear shorts (no matter what the weather), gym bags seem attached to their hand. Jocks wear Nikes, but they never tie their shoe laces! Their favorite saying is "football you bet". They listen to a variety of different radio stations. Their favorite music groups are the Little River Band, The Kinks, and The Rolling Stones. The upper new wing seems to be a hangout.

FREAKS

The freaks hang around the "smoking hole". Identifying freaks can be hard but concert T-shirts & feathered roach clips are a

dead give away. They live for Rock n Roll, KY-102.

They seem to "escape" with sex, drugs, and Rock'n'Roll. Their favorite groups are Rush, REO, and Led Zeppelin.

It's funny how often people use stereotypes. It may seem ridiculous, but people use them as descriptive words. Most people realize this, and don't seem to be upset. Afterall, it's not the clothes we wear, or the music that we listen to that makes us special. It's what we feel on the inside that counts; and no one can see that with their eyes.

VIDEO

Tom Wilson

The ship whirls around and with a few accurate shots another group of "asteroids" disappear from the screen. In another part of the galaxy a lonely outpost is being attacked by a group of "Space Invaders." Not too far from here in the middle of the Pacific a lonely fighter tries to get all the energy cells in the inescapable fortress. The catch, is not to get eaten by the "Pac Man."

Video games has become billion dollar business. At a quarter a shot that means millions of hours are being spent by the American people trying to outmaneuver something on a screen. They've almost completely replaced the well known pinball machine that thrilled generations. This is simply because people finally found something inovative in their entertainment after years of the same old thing.

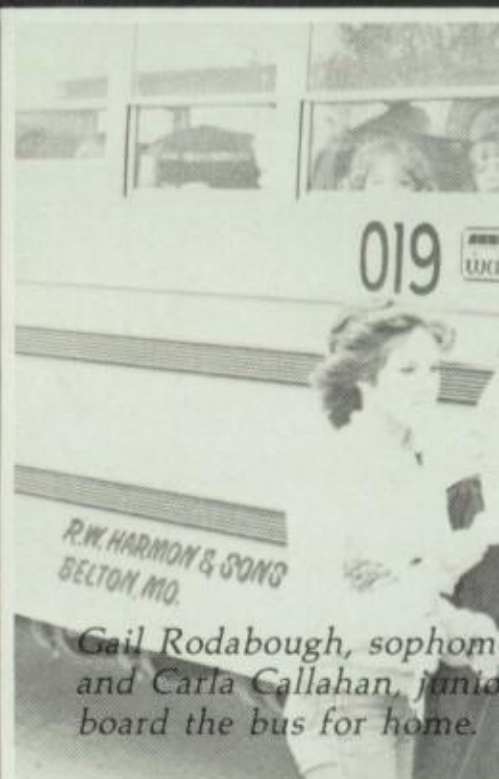

To compete against a computer has been what many people are afraid their going to have to do in the future. So to turn this fear into a game and make a profit is a bit ironic. That's called "matching wits against video games."

GAMES

Transportation Affects Each

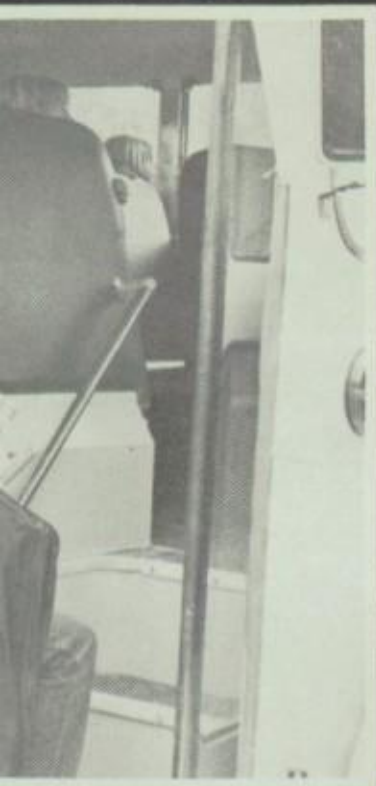

Gail Rodabough, sophomore, and Carla Callahan, junior, board the bus for home.

Mark Mullenix, senior, rides everywhere on his super Yamaha. He especially likes women passengers.

Of Us

By foot, motorcycle, bus, bicycle and car; students arrive at Belton High before 8 a.m. Transportation to school is a major decision we must make.

According to a survey gathered up by a student in Mrs. Terri Hartley's psychology class, 50% of males and 35% of females have a car.

A car can change one's life. Besides purchasing a car, one needs money for gas which cost \$1.11-\$1.19 per gallon depending on the gas station. Also needed is money for maintenance of the car.

Of the students that drive, all of them were required to get a permit to park their car in the school's parking lots. An added expense, permits cost students one dollar. As of October 5, 1981 over 100 permits were sold.

Students that lived more than one mile from BHS could ride a bus to school if they wanted to. There were ten buses that transported students to BHS. One bus drove students to Harrisonville if they were involved with votech. Diesel fueled buses were new this year.

Some students who were less than a mile from school had an advantage of walking to school and saving money.

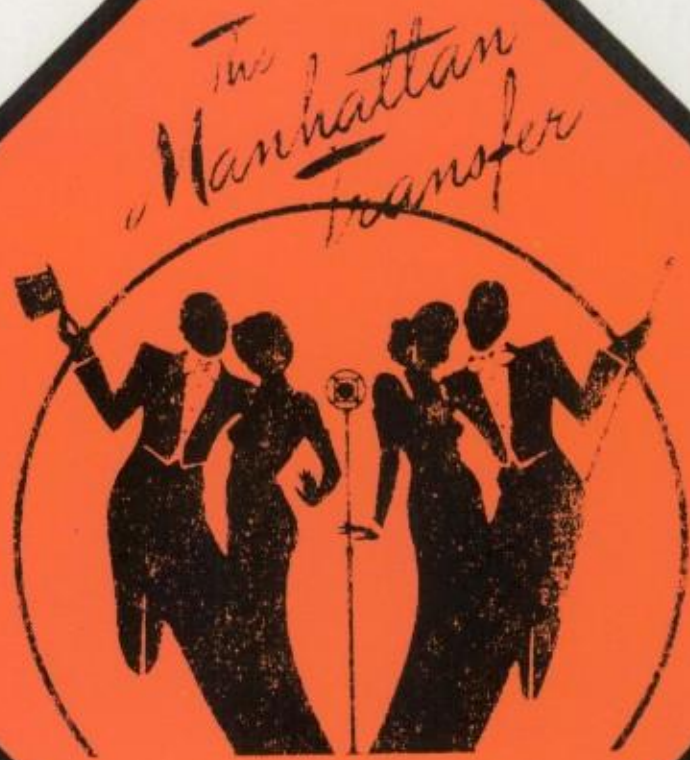

Other students rode bicycles to school. Sophomore John Guss said he rode a bike because "It's a lot easier than walking."

A fairly large group rode motorcycles, Mark Mullinix, a senior preferred this mode of travel because, "I get 40 miles to the gallon on it and it's more milage than a car."

Transportation affected everyone's life no matter how they travelled.

what is happening?

In our

THE
HYATT

The past year has included many events affecting our lives. Some for a short time, some have a lasting effect on our lives. Early in the year the **ATLANTA** killings were brought to national attention. Many people followed the reports and stories. There was speculation as to the kind of person that could kill so many black children. At the beginning of summer a man was arrested. **Baseball players on strike** during the summer gave us more time to do other things. July twenty-seventh the sky walks at the **Hyatt Regency** collapsed killing 113 people and injuring hundreds. This was considered to be the city's worst disaster. Investigations and law suits continued thruout the winter. President **Regan** caused public outcry with his "**Reagonomics**" plans which called for drastic cuts in many social service areas. Increased defense spending was his priority. The first woman appointed to the **Supreme Court** was approved by congress. She is **Diane Conners**.

On October 6th, a great world peace leader was assassinated. **Anwar Sadat**, president of Egypt was killed during a military parade in his country.

The second in a series of **Space Shuttles** named "**Columbia**" was launched. A problem forced it to land early after three days. Astronauts said however, other operations were successful. **Natalie Wood**, actress, was drowned by accident in December.

Finally, A Male Class President Dan Dickerson Elected

Senior class officers worked hard making a lot of decisions. Besides deciding their own future, they helped the class choose class song, flower, colors and motto. Numerous class meetings met to discuss homecoming, graduation, announcements, caps and gowns the senior picnic & gift.

Class officers and sponsors, Miss Nancy Riddell and Mrs. Ethel Blankenship, helped seniors make a lot of these decisions.

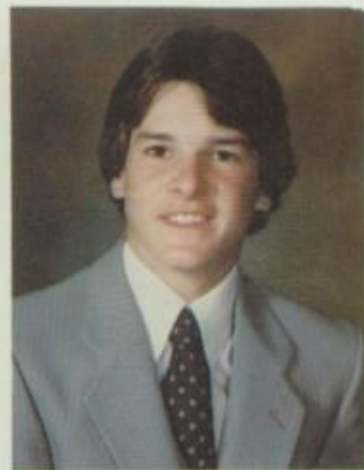

A lot of work by the class officers goes on behind the scenes. In the future, these officers will also organize our reunions.

Seniors Spend Summer Week At

Girls And Boys State

Each year boys and girls from the junior class represent Belton High School at boys and girls State. They are selected on the basis of school activities, grade point and leadership qualities.

"We learned a great deal about how different levels of government work", stated Linaya Buglewicz. "We got to participate by running for offices of our choice and pretended to run the government for a week. We also got to make laws and then they went through the entire process. Our work might even become a law at girls state in the future". The boys had a similar experience when they attended camp in Warrensburg. The girls camp was held in Fulton, Mo.

Seniors Make Decisions about Future Plans . . .

An after high school plan is the big question in many senior minds. In a survey, we found that going to college was most prevalent with 112 choosing this option. Ranking second at 25 came getting a job. About 20 choose the military route. Immediate marriage was in the plans of 12 seniors. Whichever the choice and whatever their destiny, we wish the class of 1982 continued success.

Graduates Face Rising Costs

At today's prices, it takes a lot of money to graduate. The first expense of being a senior is the class ring. The rings usually cost anywhere between \$75-\$100 depending on the metal and the style of the ring. The next senior cost would be pictures. Parents usually buy anywhere between \$45-\$50 worth of pictures. Of course a yearbook is a must for every senior. The Senior congratulations in the yearbook from parents costs two dollars. For a colored pictures seniors of '82 spent an additional four dollars. Senior announcements, thank yous, key, etc. cost anywhere from "10-\$100 depending on what was bought. Prom would probably be one of the biggest expenses. Tickets must be bought, tuxedos rented, dresses and shoes bought and of course dinner in a fine restaurant. Corsages cost \$6-\$7 while a boutonniere cost \$2-\$3. Prom pictures are another \$6.

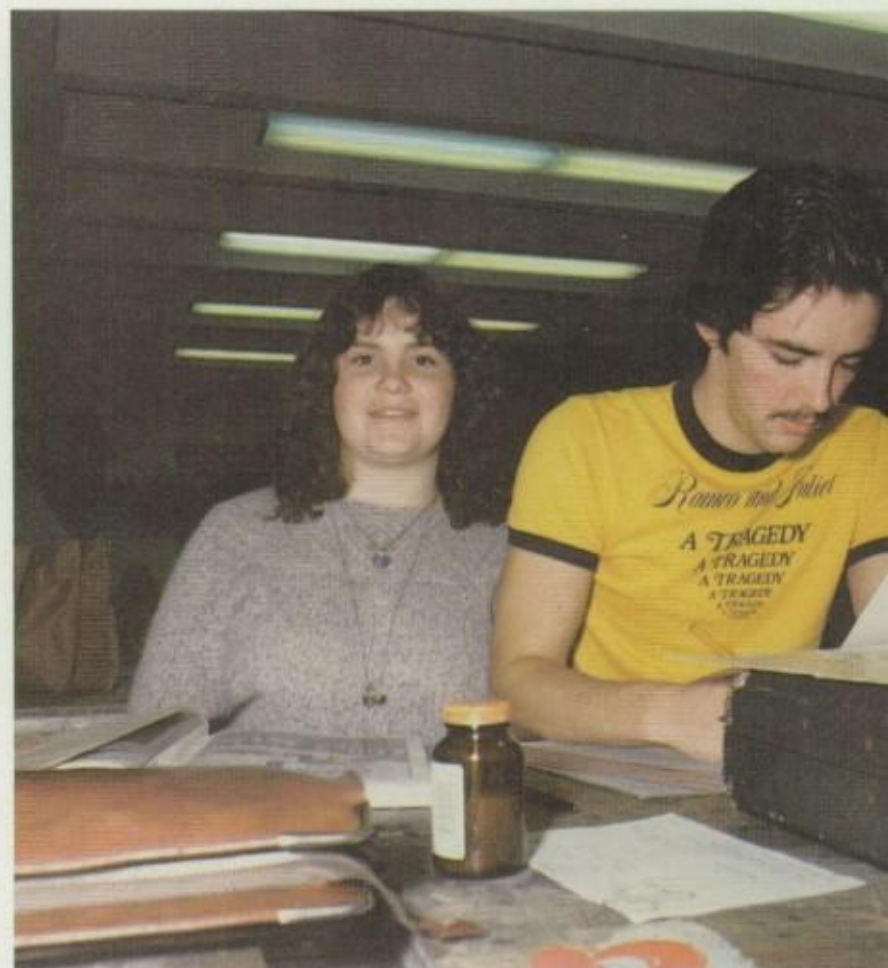

Finally, graduation comes last. Besides cost of \$10 fee for caps & gowns, girls usually buy a white dress & shoes. Flowers to hold cost around \$3, while a graduation picture cost \$6. Although, most of these items are strictly elective, peer pressure can dictate so much that one feels a need to have these items. Add this up and it amounts to a minimum of \$350! Being a senior is a very costly.

The Senior Class Has Two Sets Of Twins

Linda and Mary Clark have different interests while Annette and Jeanette Fager have a lot of the same interests. "Mary prefers frills and I prefer more tailored clothes said Linda who is three minutes older than Mary. They also have different interests. Mary likes to watch television and listen to songs by Barry Manilow. Linda just started collecting ash trays and also collects sugar packages. "We have a few classes together, but not every year," the girls concluded.

Annette and Jeanette are five minutes apart with Annette being the oldest. "We wear the same clothes because it's kind of like a tradition because our mother dressed us alike," said Annette. The obvious reason to tell these girls apart is that Jeanette wears contact and Annette wears glasses. These two had the same classes throughout their Junior and Senior high school years. Both sets of twins admitted they are glad they're twins.

Seniors Choose Class Flower Yellow Rose Reigns

Seniors chose a rose for the third consecutive year as their class flower. The yellow color designating friendship. Girls will carry a bouquet of two yellow roses to the graduation ceremonies with lavender and white ribbons at graduation ceremonies. **Photos: Bottom:** Cindy Strader borrowed clown costume from Mac Donald's, where she works, to entertain the homecoming parade.

Five Seniors Boast 4.0

To have one person with a 4.0 average is normal, but having five in one class at the top is quite unusual.

Linaya Buglewicz, Frank Guenther, Jay Kelly, Peggy Thornton and Charlotte Weatherman have all maintained a perfect grade point average throughout their high school years.

"I usually study right after school and just skim over my notes," said Jay. "If it is a major test, I study longer before I go to bed and sleep on it."

Congratulations to these five students on maintaining a perfect grade point average!

Seniors Chose "Time" For The Class Song

Time, flowing like a river
Time, where could it be
Who knows when we shall meet again,
If ever.
The time keeps flowing like a river
to the sea.

Goodbye, my love.
May be gone forever
Goodbye, my love.
The time, it waits for me.

Who knows when we shall meet again,
If ever.
The time keeps flowing like a river,
To the sea, to the sea.
'Till it's gone forever.

Goodbye, my friend,
May be gone forever.
Goodbye, my friend.
The stars wait for me.

Who knows when we shall meet again,
If ever.
The time keeps flowing like a river
To the Sea, to the sea
'Till it's gone forever,
Gone forever, gone forever.

Diana Reigns At Homecoming - '81

"Being Homecoming Queen makes me feel that I am a good person," explains Diana Vargo. "I feel very honored to be the girl chosen to represent my school. I was nervous and excited all week. The other contestants and I would laugh and exchange comments like: 'What are you going to wear?!!' 'I don't know-what are you going to wear?!!!!'"

Friday was a tense day for the contestants, each wanting the excitement to last, and yet long for the anticipation to end. "once I was out on the field," said Diana "I was relieved that it was all coming to a close. When they announced that I was the winner, I felt so happy and at last it was all over!"

Diana has been involved in volleyball, softball, and band, since 9th grade.

This year Diana is President of Student Council, a member of National Honor Society, a member of the Letterwomans Club and the captain of the Volleyball Team.

Diana plans to attend college at the University of Missouri, in Columbia. She would like to major in Physical Therapy, or psychology.

Elections for Winter Sports Court was handled a little bit different this year. An all-school nomination was held where each class elected their own representatives. The top six boys and six girls were chosen from the seniors and three boys and three girls were chosen from the juniors and sophomores.

The crowning took place at the last home wrestling meet in the new gym.

As Student Council representative Jay Kelly started to introduce the candidates, the candidates stood nervously in line. Sophomore attendants were Tami Wood and Todd Gillespie. Junior attendants were Denise Yoachum and Joe Don Harrell. Second Senior attendants were Linaya Buglewicz and George Regan. First senior attendants were Amy Mayerchak and Jonathon Vest. The new Queen and King were Stephanie Kimes and Kevin Attebery.

"I was really surprised. It's one of the nicest things that's happened to me," said Queen Stephanie Kimes.

Tiger Burned In Effigy Homecoming '81

Preparations for Homecoming '81 began the week before the game with classes working on their floats September 16-23. Sept. 18, the sophomore and junior princesses and queen candidates were announced at the pep assembly. Candidates were nominated by the football players and boys cross country team and elected by their class. The first annual Kick-Off Breakfast was held September 22, in the school cafeteria featuring Jim Jeffries as guest speaker. Breakfast was served for \$1.75 a person. Mr. Jeffries speech centered around him saying "athletes are special people who give special effort, but everyone should do his best with what he has."

Sophomores 1st Float *A Big Success*

September 21-25 was designated spirit week, and students showed their spirit by dressing preppie, western, in sweat shirts, dressy, and in school colors. The traditional spirit rally and bonfire was held the night before the game. A large crowd was on hand for the burning of an Excelsior Springs Tiger. The 1981 Homecoming theme was "Pirates Make the Headlines." Homecoming day started with the delivering of mums that students ordered through National Honor Society. A 45 minute pep assembly was held featuring a skit put on by the faculty with Mrs. Belmore as Lois Lane and Coach Thompson as "Super Pirate." The annual parade went on as scheduled down Main Street despite the weather conditions which were wet & gray. Pre-game festivities began at 6:45 with the Homecoming game against Excelsior Springs starting at 7:30. Half-time show consisted of a display of the floats and the crowning of Queen, Diana Vargo. The homecoming dance was held from 10-12 featuring Sound Dynamics and had a large turn out.

There was a large turnout for this year's annual watermelon feast, which took place September 2nd in the high school gym from 7:00-9:00 p.m.

The feast was sponsored by Student Council who brought in 30 watermelons which were all eaten by the end of the night.

Class Competition included volleyball, tug-of-war and other games which were all won by the Seniors. Juniors came in second and Sophomores, last.

John Basnett, Junior, said "I think it was a big success and it promoted a lot of spirit for the first football game."

Pep Rallies attract alot of attention at B.H.S. This is a time that everyone can yell, scream and get rowdy! Clubs announce up coming events, while athletic coaches commend their teams. Of course, the students show their spirit through the famous and traditional "class competition."

The cheerleaders coordinate the pep rallies, but every club is welcome to sponsor one. "I think the best thing about Pep rallies, is the way you feel after you leave", said Eric Yazell. Dea Ulrich replied "I enjoy the class competitions because it promotes the most spirit."

*Juniors Lose Despite Effort At
Powderpuff Game*

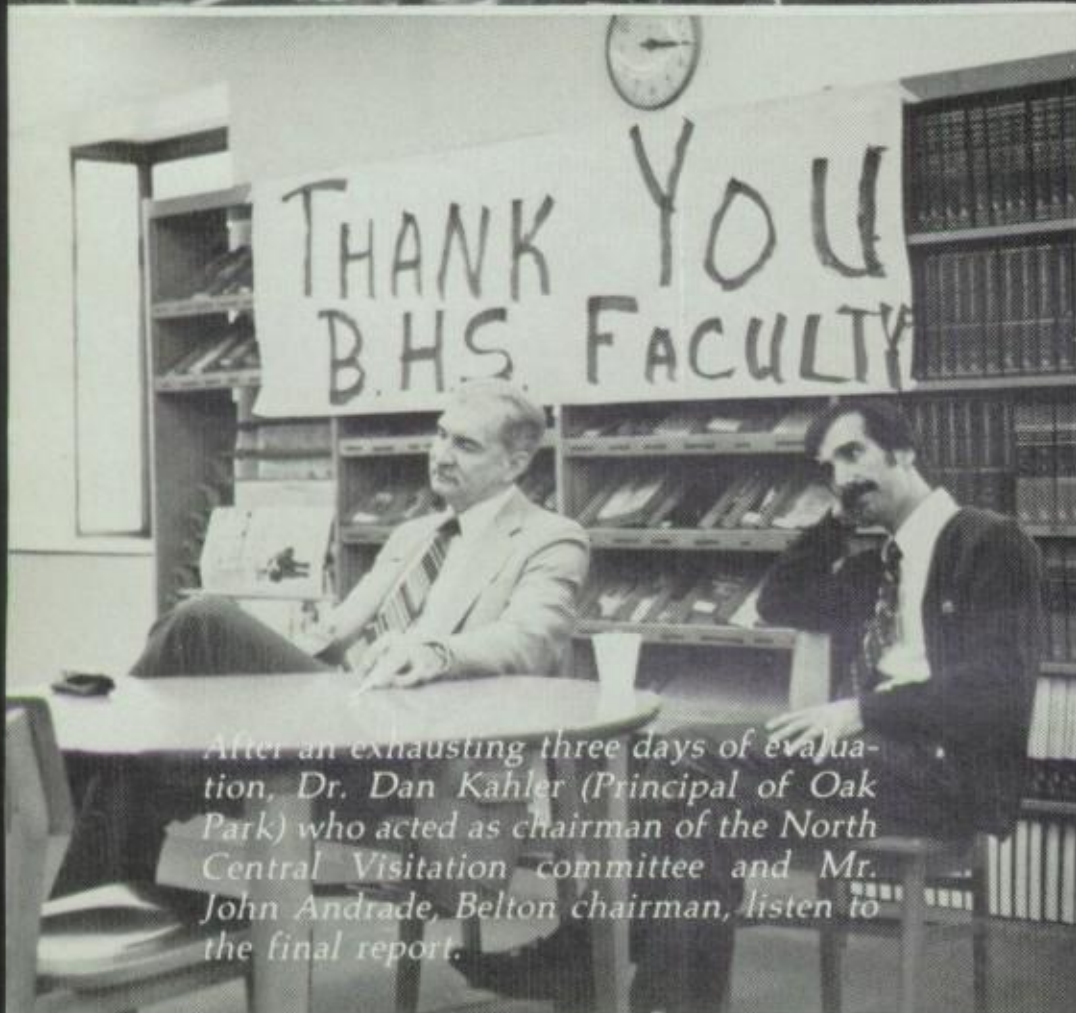

November 4th was the night of the Junior-Senior Powderpuff football game. Thirty seniors and an equal amount of juniors battled out four muddy quarters of flag football. Seniors wore purple and gold jerseys, while juniors wore purple and white. Starting at 7:30 p.m. and ending almost two hours later, the contest proved to be a low scoring event.

Mary Sue Morton ran back the only touchdown of the night in the first quarter for the seniors. The junior team made a strong defense and held seniors back the rest of the game. Final score was Seniors 8, Juniors 0. Quarterbacks for the teams were Roni Lane, senior, and Shawn Robinson, junior.

Admission to the game which was sponsored by the senior class was 50¢. Proceeds were donated to the United Way Fund which received \$136.77.

Although the main event was supposed to take place on the field, the crowd was often distracted by the antics of masculine cheerleaders. Several times their cheers ended in the mud.

Mr. Paul Ingram, the principal at Belton High School, for nine years is a very friendly person. Between classes he can be seen talking in his southern drawl and teasing students by calling them "pet" names.

As principal, Mr. Ingram tries to keep a low amount of rules and regulations, so school is enjoyable. A philosophy of his is to be a "visible" principal, not just a "figure-head" working in his office.

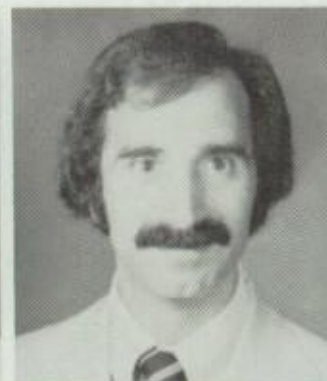

During leisure hours, Mr. Ingram enjoys listening to music and playing golf as often as possible.

When "Tall Paul" was growing up he wanted to play professional baseball with the New York Yankees. But, he says he is quite satisfied with his second choice — being a high school principal. (he still watches the Yankees on T.V. though)

Record 3-6	

1981-82 A YEAR

The 1981 Belton football team ended their season with a 3-6 record. This sounds inferior, but actually, it was better than most predicted. Belton had the smallest team in number of players and in size in the small six conference. Despite these inequities, the pirates ended the season with third place and a 2-3 conference record. Victories were gained over the north Kansas city hornets (14-7) and Liberty (13-9). The win over the Hornets was an upset as they have had excellent team strength in the past.

Coach Dick Bradshaw, the new mentor for the pirates, came to Belton with a 39-9 coaching record. Although disappointed with a small turnout, he worked the team hard and made some

major changes to improve this popular fall sport. He felt that the fact that Belton has only a few players who have continuous play experience from 7th grade is a detriment to the high school program.

Five players made all conference. First team: Mark Kelsey was Belton's standout. Second team: Scott Greenwell and Bryan Cummings. Honorable Mentions were grabbed by Brett Pruitt and Shawn Nichols.

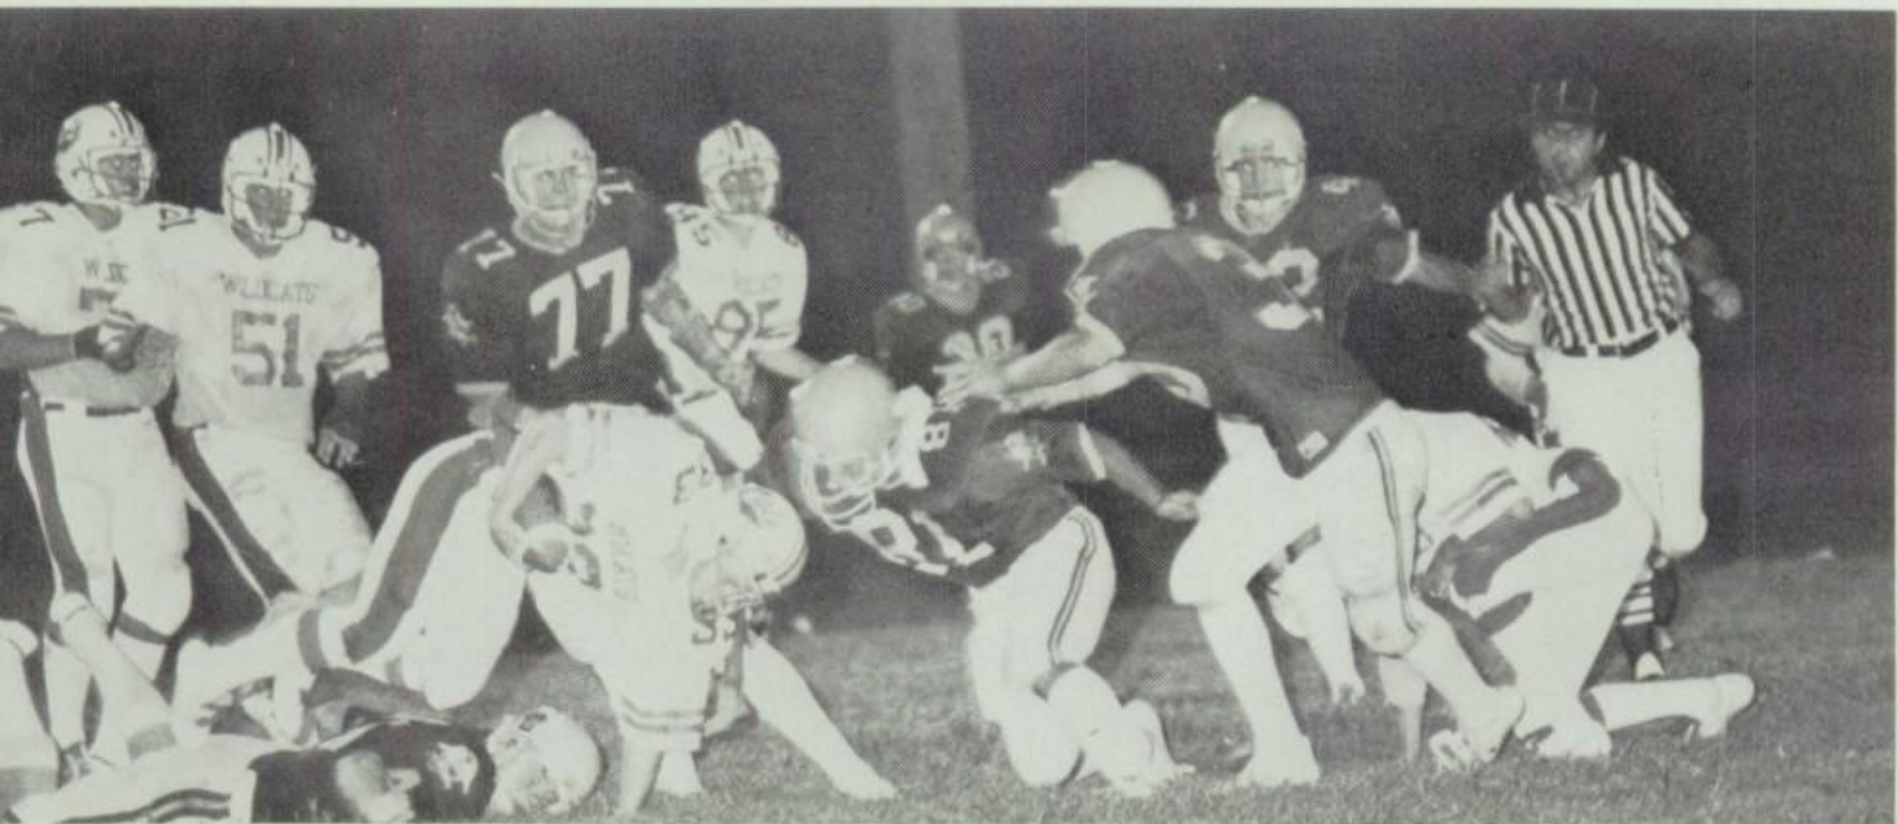

Offensively, the two dominant players were Greenwell (who racked up 727 total yds) and Cummings, (who pocketed the most first downs). Both men had the most receptions. Kelsey led with impressive stastics: 73 assists, 25 tackles and 4 sacks.

The Junior Varsity football team was not as ineffective as their 1-5-2 record might indicate. In fact, they never st a game by more than one touchdown. Many of the games came down to the wire and the wins attributed to good luck. Many of the j.v. players should develop into top notch varsity men with more experience. If the offense develops, Belton could be the team to beat in the future because the defense showed stinginess beyond compare.

ENDS CONFERENCE PLAY WITH 5-5 RECORD

The Varsity Volleyball squad ended their season with a 5-8 overall record. Their conference record was an even 5-5.

"In The North Kansas City match, Oct. 15, the team put it together and showed what they could do," said Coach Donna Egan.

The squad attended district and defeated Raytown 15-6, 15-6. In the semi-finals Belton lost to Lee's Summit, 10-15, 14-16.

"We played extremely tough," commented Coach Egan. "The games were long and well played." The Varsity Team will lose seven seniors this year, leaving only 3 returning letterwomen for '82-'83.

Best Year Ever!

CROSS

One of the smallest cross country teams in Belton history was by far one of the best ever! The people lettering in cross country this year were: John Vest, senior; Dale Marshall, junior; Joe Falcon, sophomore; Chris Wilson, sophomore; Tim Armstrong, soph; Kenny Jones, sophomore; Sandy Clutter, senior; Natalie Winn, Junior; and Cara Whitaker, junior.

Five runners made it to sectionals, Best, Falcon, Marshall, Winn and Clutter. Astonishingly, four out of those five made times good enough to qualify for State. At State, Joe Falcon placed 6th, which was a record for Belton. John Vest was less than one minute behind and placed 71st; Sandy Clutter broke her own records when she placed 68th at State. Natalie Winn placed 29th.

The boys overall record was 41 wins/39 losses. A first place was gained at the Raymore - Peculiar Invitational. They also defeated William Chrisman and Winnetonka in a tri-meet. Belton joggers boasted third in conference and sixth in District. John Vest challenged two records. He set the overall course record of 15:46 for 3.1 miles and a home record. Joe Falcon flew into making a new Belton course record at Swope Park. The girls overall record was 30-24. They were triumphant over Center and Grandview in the tri-meet. Sandy Clutter broke records for home course, any course, and at Swope Park. Winn set a 2 mile school record.

Varsity Tennis/101

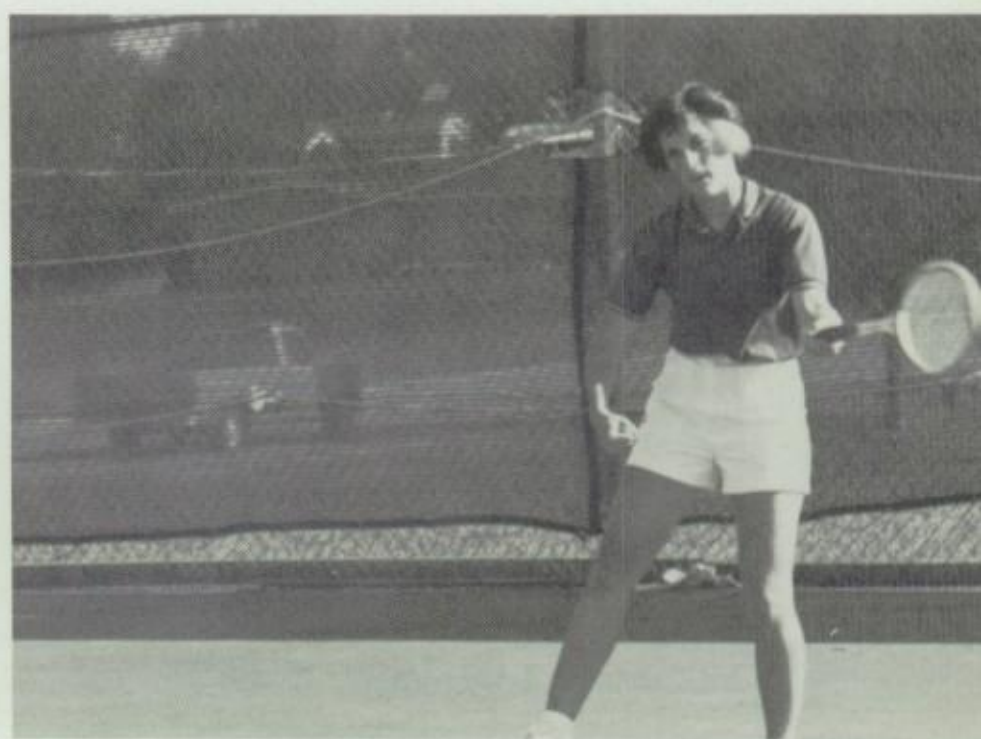

Has Almost Perfect 1981-82 Season

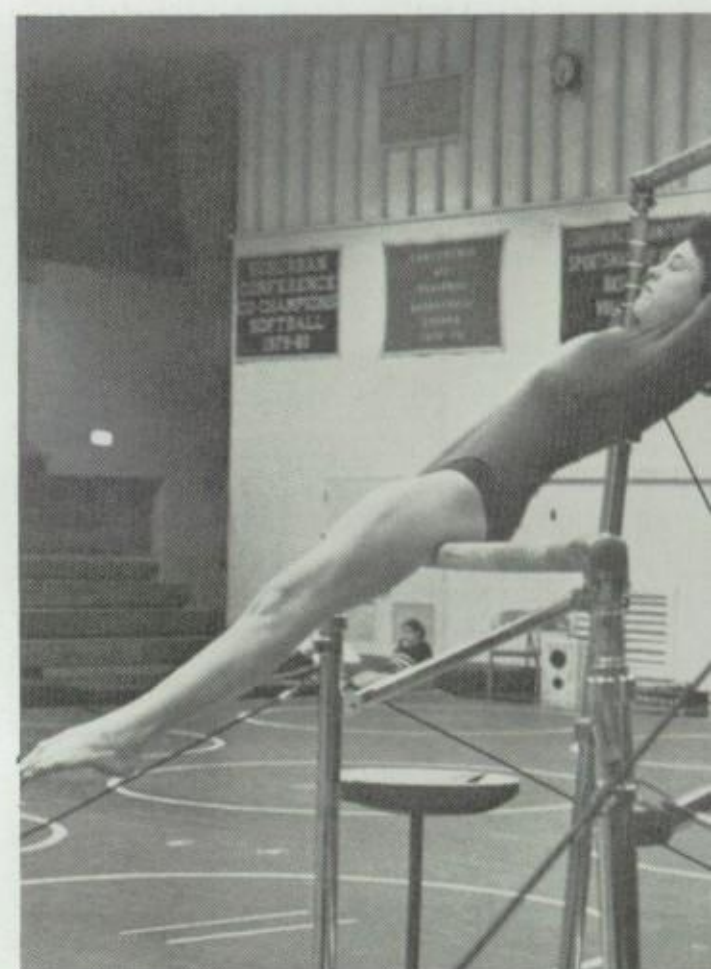

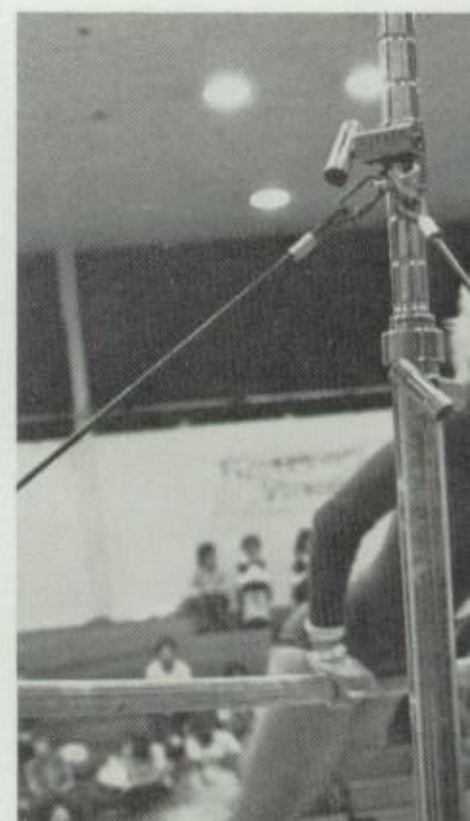

The 1981-82 Varsity girls tennis team finished out the year with a 8-7 record. No other squad has even won that many games. The J.V. team worked very hard this year, but, lost all of their matches. The Varsity team will lose two girls next year, all of J.V. will be back. This season the tennis team was under a new coach, Kim Cattle. This is her first season as a coach. **Photos:** **Top Left:** LaRae Coleman returns a tricky serve. **Top Center:** Linh Williams shows no mercy with her powerful serve. **Top Right:** Debbie Lopez watches a return conquer her opponet. **Bottom Far Left:** Alisa Person strolls off the court after warming up. **Bottom Left:** Kenda Kluter awaits a practice ball. **Bottom Right:** Melinda Fults shows emotion after knocking a ball out of bounds. **Bottom For Right:** Lisa Ohmes concentrates on returning a serve.

Gymnastics

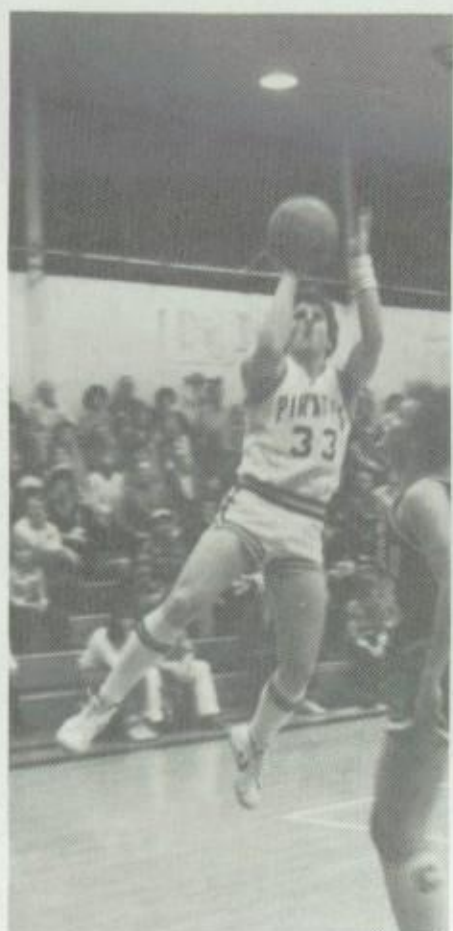

1981-82

The 1981-82 gymnastics team spent this year rebuilding. Coach Cameron commented, "We are basically starting over with 9th and 10th graders. They did quite well for their first year in competition. With individual practice and a desire to improve, the team will continue to be competitive.

Christy Casteel was named the top all-round gymnast for the 1981-82 season. There will be seven returning letterwomen for next season. The team averaged 73.8 pts per meet.

The pirates came out of the gate with a 7-1 record. The rest of the season wasn't as successful. They lost their last 13 out of 15 games, five of those by 10 points or less.

One interesting fact was that the pirates beat every team in conference at least once except for North Kansas City who were the conference champs.

Overall, the pirates shot 45% from the field and 62% from the free throw line. Paul Norris and George Reagan were the two leading bucketeers for the Pirates. Paul averaged 18 points a game and George averaged 14. Mark Kelsey led the team in rebounds with 8 per game and also led the team with a 51% mark from the field.

JUNIOR VARSITY

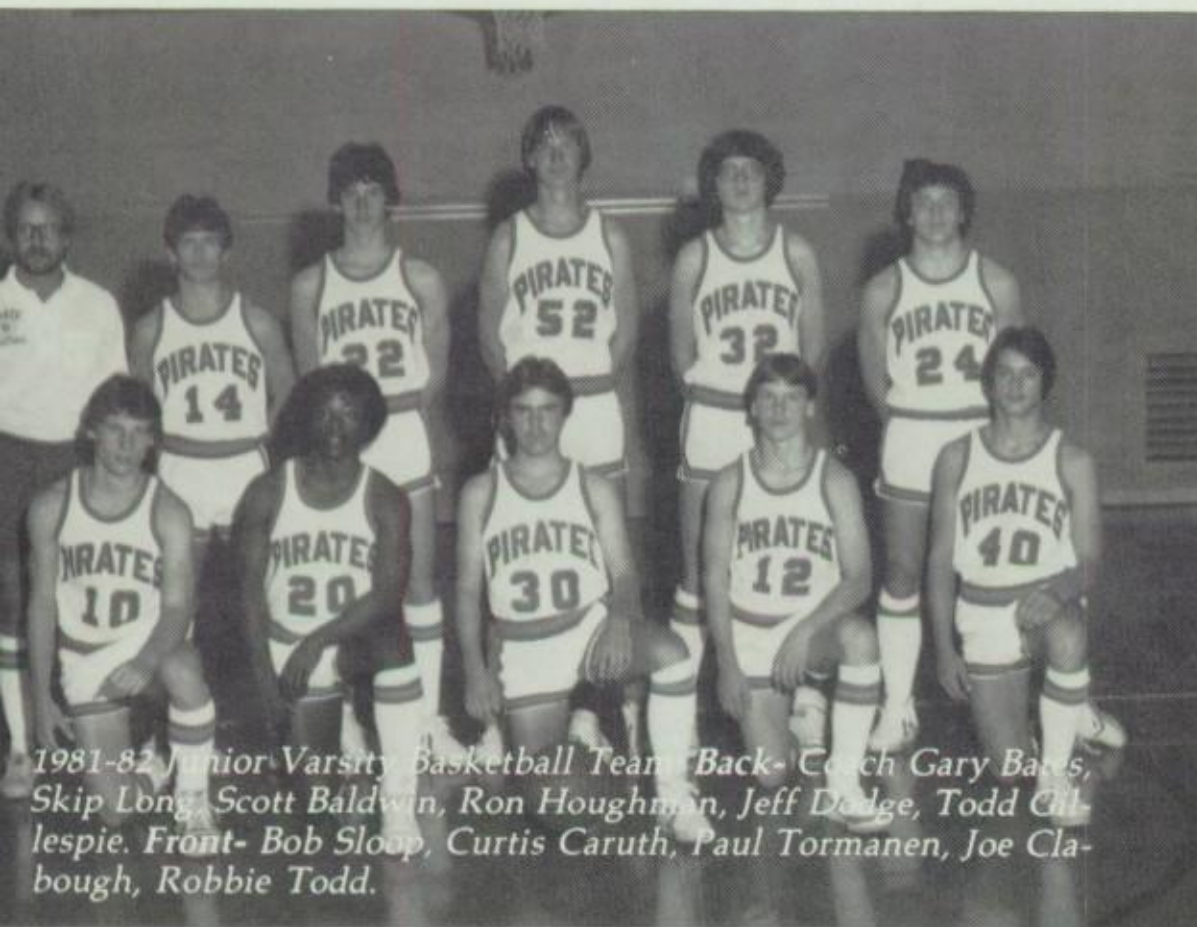

Junior Varsity coach was Gary Bates. Leading scorer for the junior varsity team was Todd Gillespie with a 10.3 average per game. He was followed by Jeff Dodge at 7.8. Paul Tormanen was the leading free throw man at 66%. Dodge again captured the lead in rebounds with 75 in 14 games. Overall, the team shot 35% from the field and 49% from the free throw line.

The Sophomore basketball program was in question at the beginning of the year. Coach David Denny did well with the team of starters. Todd Gillespie was the leading scorer with a 14.3 average. Peter Murphy, Paul Tormanen, and Skip Long took advantage at the free throw line with 75% accuracy. Scott Baldwin was the "chairman of the boards" (rebounder) with 80 to his credit. Overall, the team shot 35% from the field and 53% from the line.

The 1981-82 Girls Varsity Basketball team came home from the Clinton Tournament with first place and an impressive trophy. Mary Sue Morton was named to the All Tournament team there. Under the direction of a new head coach, Karma Murr, the girls played with determination and skill. They played a 1-3-1 and 2-1-2 type of defense throughout the season. Murr utilized a good bench which meant most team members played continuously. Depressing is the fact that the team will lose five seniors — all letterwomen and starters — next year. Morton was also named to the 1st team All Conference, with Lisa Ohmes who gathered an honorable mention. The team finished with a 4-9 record.

The Junior Varsity girls basketball team also had a new coach this season in Vic Parkhurst. Only a handful of juniors and mostly sophomores made up his team. Parkhurst thought that his team looked extremely tough especially at the season end. Most encounters led to low scoring matches with little point difference in determining the winner. The team record was 8-9.

GRAPPLER'S CONCEDE

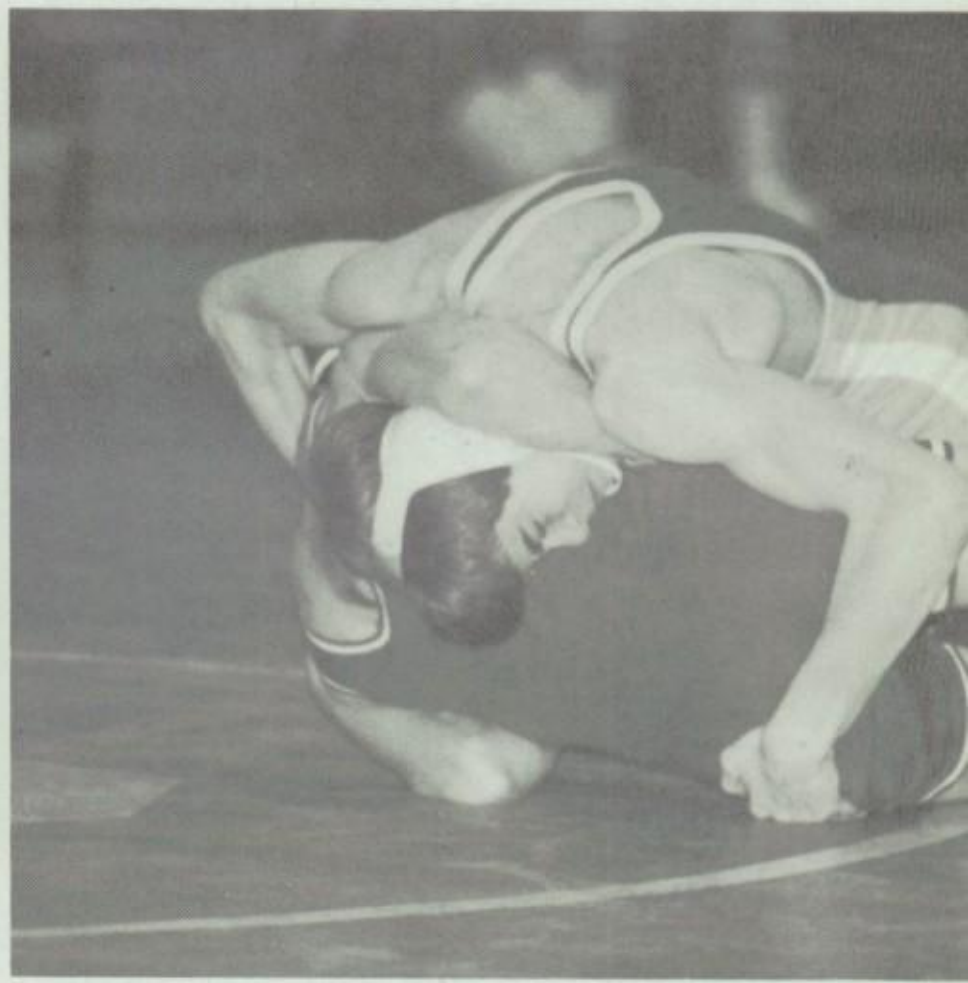

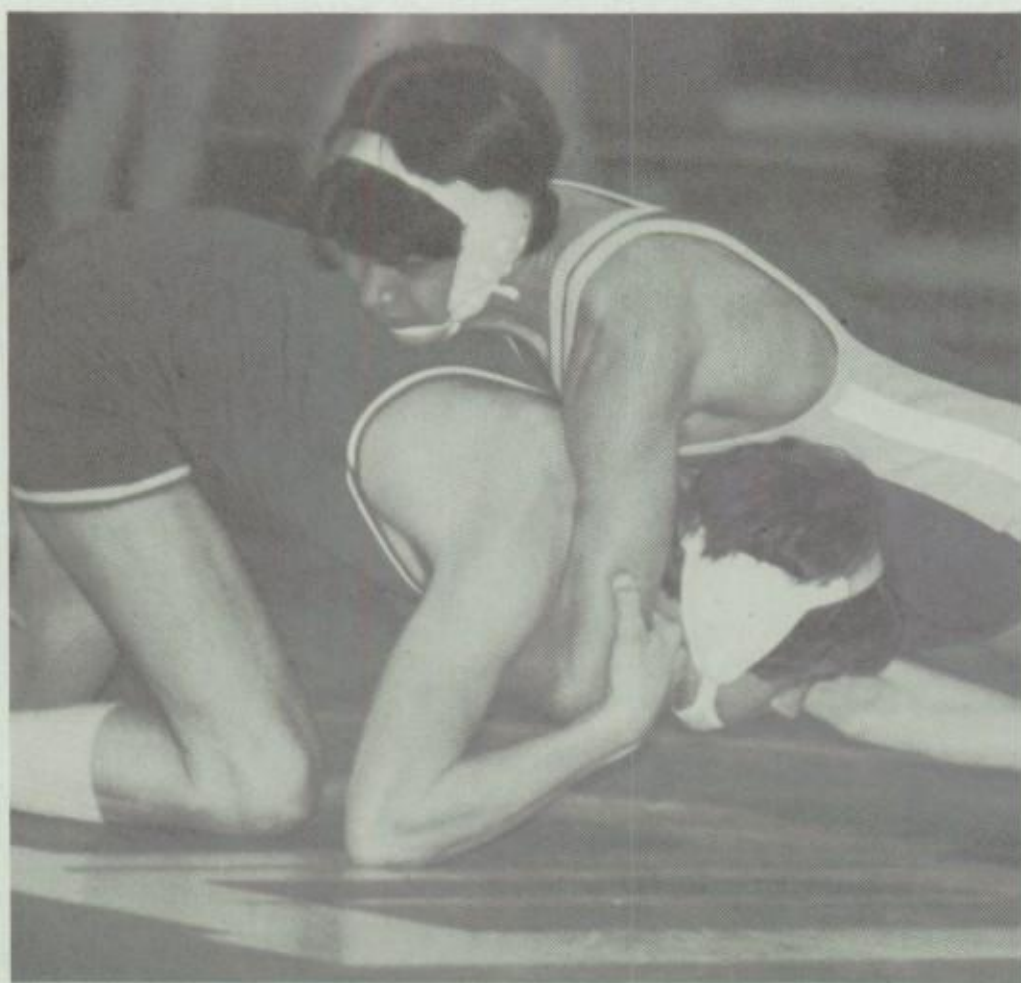

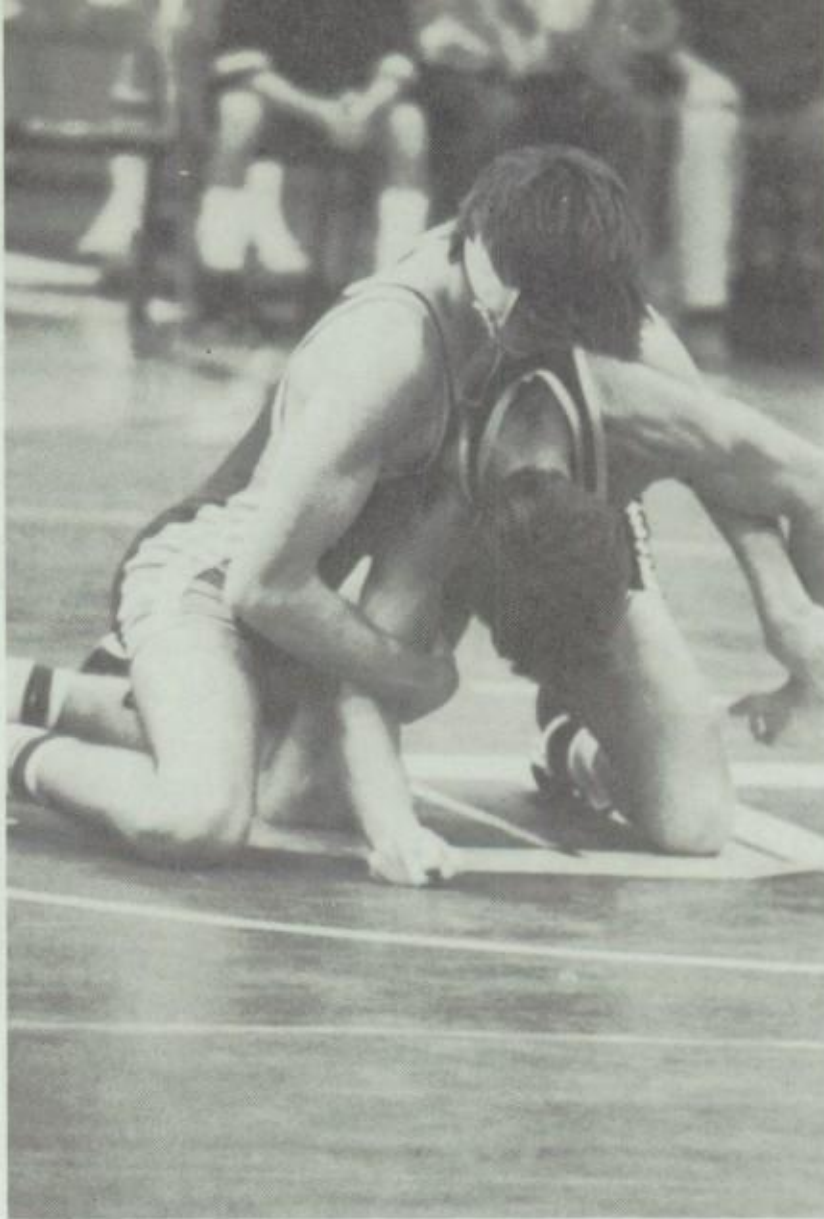

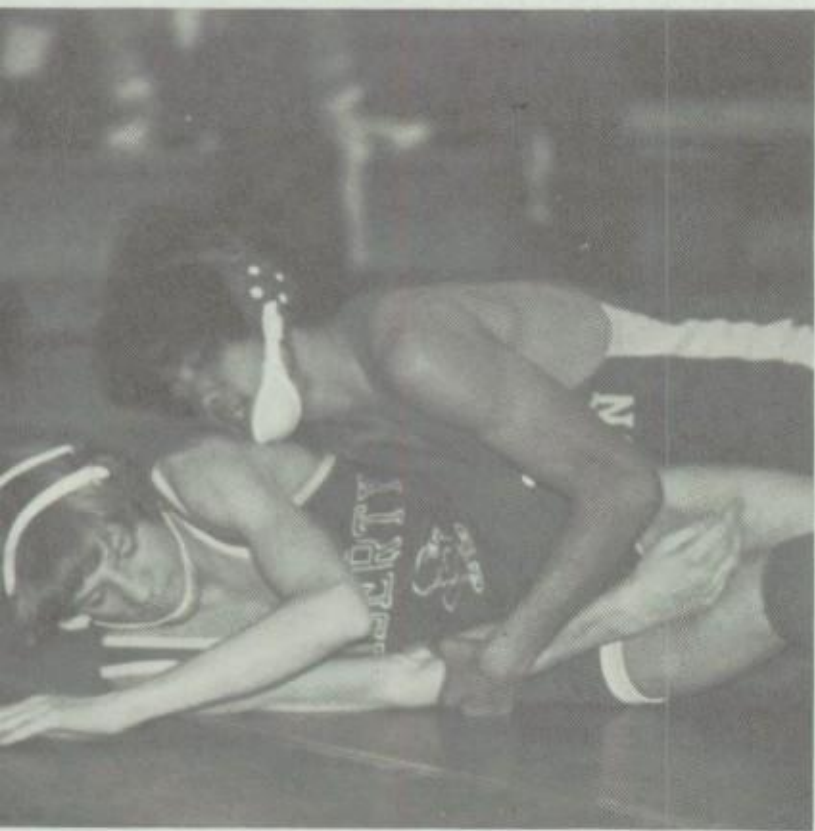

Pirate Wrestlers began the season with a special assembly match against Lee's Summit on December 2nd. The opponent showed great team strength and defeated us 60-11. We were quick to recover and even the record by handing O'Hara a loss. As the year progressed, Belton's prowess grew. They won 4th out of 8 at the Lee's Summit Tournament and also captured a win over Liberty in the first Conference match. On January 20, the team initiated the new fieldhouse by tromping arch rival Grandview. Bucs finished 8th in District with Long, Nelson, and Halsey qualifying for sectionals (Sub-State). Doug Long was Belton's only representative to State. He won the 1st match and lost the 2nd by 1 point to the 5th place winner. Statistically, the top grapplers in specific categories were: Takedowns: Long; Reversals: Greenwell; Escapes: Rosa; 2&3 point near falls, Pins, Wins, Team points: Long. Doug Long was awarded Wrestler of the Year with a record of 25-4. Tim Nelson was named most improved wrestler and given the Andy Snead Memorial Award at the winter sports banquet.

Intramurals started this year with the annual class volleyball tournament. Teams were from each 1st hour class. There was a total of 16 teams and 200 students involved. Mr. Hardy's class won the tournament with Mr. Thompson's class finishing second.

Joe Falcon won the boys singles in the table tennis tournament and Debbie Lopez took 1st for the girls.

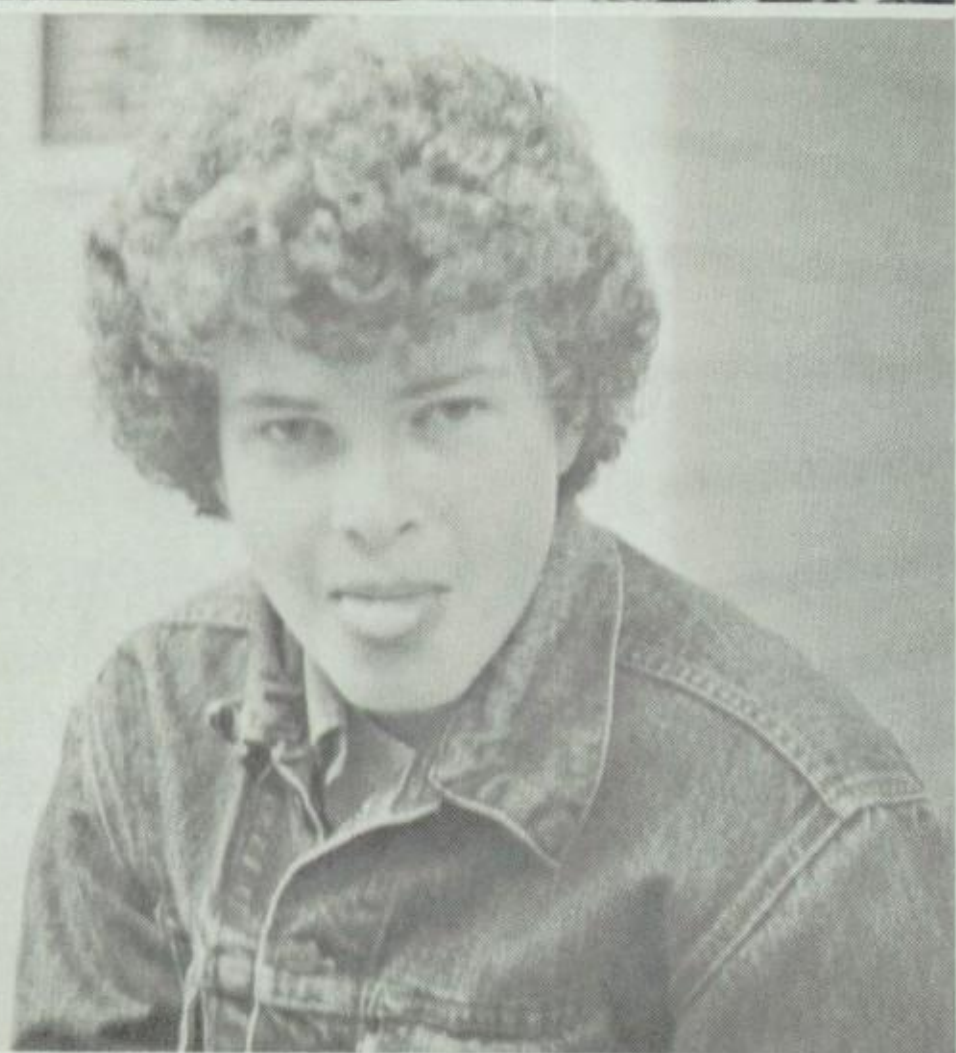

There was also the Pepsi-Cola Hot-Shot Basketball Competition. The winner was Chris Wilson with 81 points. Tony Ferguson finished second with 75 points.

Other activities were the two-on-two basketball tournament, five-on-five basketball and the popular Co-Ed Volleyball Tournament. Students as well as teachers and administrators could participate. Three guys and three girls and regulation Co-Ed rules appeared.

The Student Council is Belton's most active group. They have initiated several traditions in the past few years and always seem to come up with innovative ideas each year. This year they were a part of organizing and presenting many things to benefit students, faculty and school. Among them were: Watermelon Feast, Faculty Breakfast, Christmas Assemblies, Winter Sports Spirit Week and Court, Parent's nights for sports, Freedom Jam, Lip Sing Contest, Air Force Rock Band, Scholarship Auction, Dances, Karate exhibit, Recognition of Student of the Semester and senior athletes, Compata-match, Cup-Cake city, Advisory council and Faculty royalty.

Black and white was a new idea for the Belton Singers this year. A stark change from the usually colorful uniforms. But the contrast of this years group in costume and singing style was more noticeable and appealing. Their sound was more from the big band era, with songs such as "Jump, Shout, Boogie" and "Mr. Sandman" being favorites. A jazzier dance routine and sound was popular and made quite an impression in the Kansas City area. The singers performed at both the Westin Crown Center and Hyatt Regency Hotels as well as for the visiting North Central Committee and many other small groups in the Belton area. In order to keep the student body aware and up on their new style, the group performed at the Christmas Assembly and at some pep rallies.

During spirit week, B.H.S. was exposed to a highly different mood when the singers dressed in "50's" garb and sang "The boy from New York City".

In January and February, the singers participated in Swing Choir festivals at NWMSU and at Central Methodist. After practicing a different "Renaissance" type music, the singers went to district contest in April.

Mr. Tom Bennett, the group director has already been making plans for the new 1982 singers, but no definite plans are set.

On The Road Again ...

Belton Singers

Style And Hard Work Madrigal

"Polyphony" is when each part sings separate melodies, and it teaches independence," said Mr. Tom Bennett, director.

This is the way Madrigals sang. The sixteen member group, which consisted of juniors and seniors by invitation of the director, sang at a Christmas concert, Phi Mu Alpha, Ararat Temple, and the opening of the new building.

The Madrigals choose their outfit for performances this year.

"They are one of the best groups at BHS and sing the most difficult of music," Mr. Bennett commented.

Most of the music was college material. "Wassail, was one of the harest pieces of music the Madrigals had to perform," concluded Mr. Bennett. This is the third year for the Madrigal singing group. Participation is by invitation only.

Chamber Winds A Select Group Band Takes First Place

The Belton marching "Pirate Pride" high school band had a better season this year than noted in the past. The band participated in the Fall Festival held on Main street, K.U. Band day in Lawrence, Kansas, the Warrensburg (CMSU) home-coming, and the American Royal. Topping off those dates, they also participated in pre-game and half-time shows for the home crowd at football games. Homecoming was to be the day to show off new uniforms, but weather forced them to be closed for another day.

The band captured first place in straight street marching during the Pittsburg homecoming. "It has been a long time since the band has won anything", stated director Tom Hardy.

The addition of new uniforms were paid for by the hard working band patrons and students who put long hours selling programs for Chiefs and Royals home games.

Highlighting the home games, the band marched with precision led by drum majors Nancy Simpson and Carla Callahan. Feature twirler Dee Dee Wallace, a third year veteran, put on spectacular shows with her baton twirling expertise.

One of the events that the Chamber Winds group participated in was held at Bannister Mall. They performed for holiday shoppers on Dec. 8. This select group in band consists of nine sophomores and juniors. Seniors outside of the class participate at special events. Pictured L to R are Linda Ford, Tammie Derks, Carla Heare, Laura Goodwin, Diane Olinger, Frances McCoy, Mark Hill, Karl Kedrovsky. (not pictured: Cathy Bailey.)

New Squad Added To Band: *Pom Pon*

The Flag Corps and Pom Pon squad are sponsored by the band. They participated with the band in the Fall Festival Parade held on Main Street, Homecoming Parade, KU Band Day, Warrensburg Homecoming, Pittsburg, Kansas Homecoming Parade, The American Royal Parade, and pre-game and halftime shows at the Pirates home football games.

Along with the band, Flag Corps and Pom Pon got a first place trophy at the Pittsburg Homecoming Parade. At camp Flag Corps rated a number one in the Advanced group.

The 1981-82 Drill Team experiences a new name . . .

The Pirate's Treasurettes

BHS Drill Team has come a long way since 1973. This year the Drill Team sponsored a raffle which helped in choosing a name for the squad. The name chosen was the Pirate's "Treasurettes".

The girls were busy all summer preparing for camp. Some fund raisers were a car wash, a trash-a-thon, and sponsoring a booth at the Belton Park during Community Days.

The Treasurettes attended camp at SMSU, which was held by the NCA (National Cheerleading Association).

"My favorite time at camp was before our home routine evaluation," explained Shannon Cawthon, junior. "It was time to show every one what we had been working so hard for. Everyone was nervous, but we really felt close to each other."

"We choreograph and perform a lot of novelty routines," commented Lisa Brady. "The crowd really seems to enjoy them, especially the

Blues Brothers routine." "Performing is fun," Lisa replied, . . . "but practice is a lot of hard work that should be taken seriously."

Attending camp over the summer in Springfield, Missouri gives the Varsity cheerleaders lots of enthusiasm and new ideas for the upcoming year. While there, the girls were awarded two red ribbons, three blue ribbons and a spirit stick.

One of the goals of the squad this year was to get more student participation and spirit. The formation of a group of male yell leaders was instrumental in accomplishing this. "We, as the cheerleaders, feel that we have worked very hard to promote school spirit", stated Teri Meidinger. "I think we have been quite successful", she concluded.

The squad added stunts such as big wheel races and licorice chewing contests for excitement in class competition. Popular cheers were "Purple and White", and "We Just can't Be Defeated". New uniforms were purchased by the girls that featured a stylish bib-overall look with knee socks. The traditional SONIC work day was responsible for the payment of these new uniforms plus paying off old debts.

Spirit Crew

AN EDITORIAL COMMENT:

Despite the efforts of a few students and a gallant sponser, this club is dying out fast. Does anyone have any reasons or answers? Down from nearly 200 members in 1976, fewer and fewer students are taking an interst in this group. Generally, there are more than a third of the student body that show their spirit by attending home games. Yet, there is still apathy in being a part of a pep club. Other schools are experiencing a decline, but not as rapidly as at B.H.S. Many schools still have an organized pep club. They march into our gym in a large uniform group and set up a screaming fan section to help their cheerleaders and teams. This is a very visable shortcoming here. Although the spirit crew offers free bus rides to away games, usually less than twenty people sign up to ride. The yearbook staff asks . . . Where are the days of making an impression by sheer numbers in force supporting our teams? Where are the days of proudly wearing a pep club uniform and pins for each year of membership? Where are those who still believe that this club can be fun and rewarding? **If you are out there resolve today to bring this club back!!!!**

The Letterwomen's and Lettermen's clubs are largely service orientated clubs. Many members put in extra hours by working at concession stands during home games. To be a member of these clubs, one must have earned a letter in a varsity sport. One advantage of belonging to these clubs is the free passes to home games.

New Projects For National Honor Society

National Honor Society is a select group of students who have achieved high grade point averages. Sophomores are required to have a 3.0 average, juniors and seniors a 3.5 average. New members were inducted in the fall and in the spring. Members sold mums during homecoming and programs at Royals and Chiefs games to raise money. A new project was started this year—selling milk during activity period along with the junior class when they sold doughnuts. The annual Chili supper held February 5th was to raise scholarship money. Members cooked to and served to over 150 people.

New Sponsor of National Honor Society is Mrs. Gail Bradshaw. President-Beth Farmer, Vice President-Shelly Watson Secretary-Dea Ulrich, Treasurer-Celia Orozco.

"The word for the year in NFL was one of GROWTH," stated Mr. Joel Short, coach. From a beginning membership of only 4 or 5, we have mushroomed to over 20 active members." "In only 1 out of 15 tournaments have we not had someone to place in the top ten." The biggest brag for the year has to be the capture of the overall Sweepstates trophy taken at Hickman Mills. It has been six years since the last one. The fourth annual Belton Novice Tournament was held in March with over 20 Missouri and Kansas schools participating.

Over The Air, On The Screen Computer Club

Although not officially recognized as a club yet, the Computer Club has been popularized by a growing number of fans from regular classes. The informal group met every Tuesday and Thursday after school. "I wanted to let students use the computers as long as they wished to," stated Mr. Cameron, the club's founder. "Hopefully, next year, there will be a more structured club." About 25 students enjoyed programming and game playing this year. One of the goals of such a club will be to program lessons for use in other classes.

The comment has been heard that WGIB has a better sound this year! Could it be: A) New requirements for D.J.'s? B) A second turntable for greater simulation of a real radio situation? C) A new sponsor who has changed some basic structures and approaches? or D) All of the above? ANSWER: D.

Building, Repairing, Preparing Vo-Tech

Tom Wilson

There are thirty-eight students that go to the area Vocational Technical school located in Harrisonville from B.H.S. Before we understand what vocational educational students do, we must know what vocational education is. Very simply, it is training in a skill or trade that is to be pursued as a career. Students that elect to attend have made some future decisions about a career and are getting the education they need in those fields. Classes include Agriculture, Health Occupations, Auto Mechanics, Building trades, Electronics and Welding.

Paul Anderson, Junior, felt that "the entire program is a good one." "The only real problem centers around the bus transportation and time involved." "Everyone gets along pretty well, he commented, because there are not as many mixed interests as in the regular high school."

Clubs Of Service And Dedication

HEROS

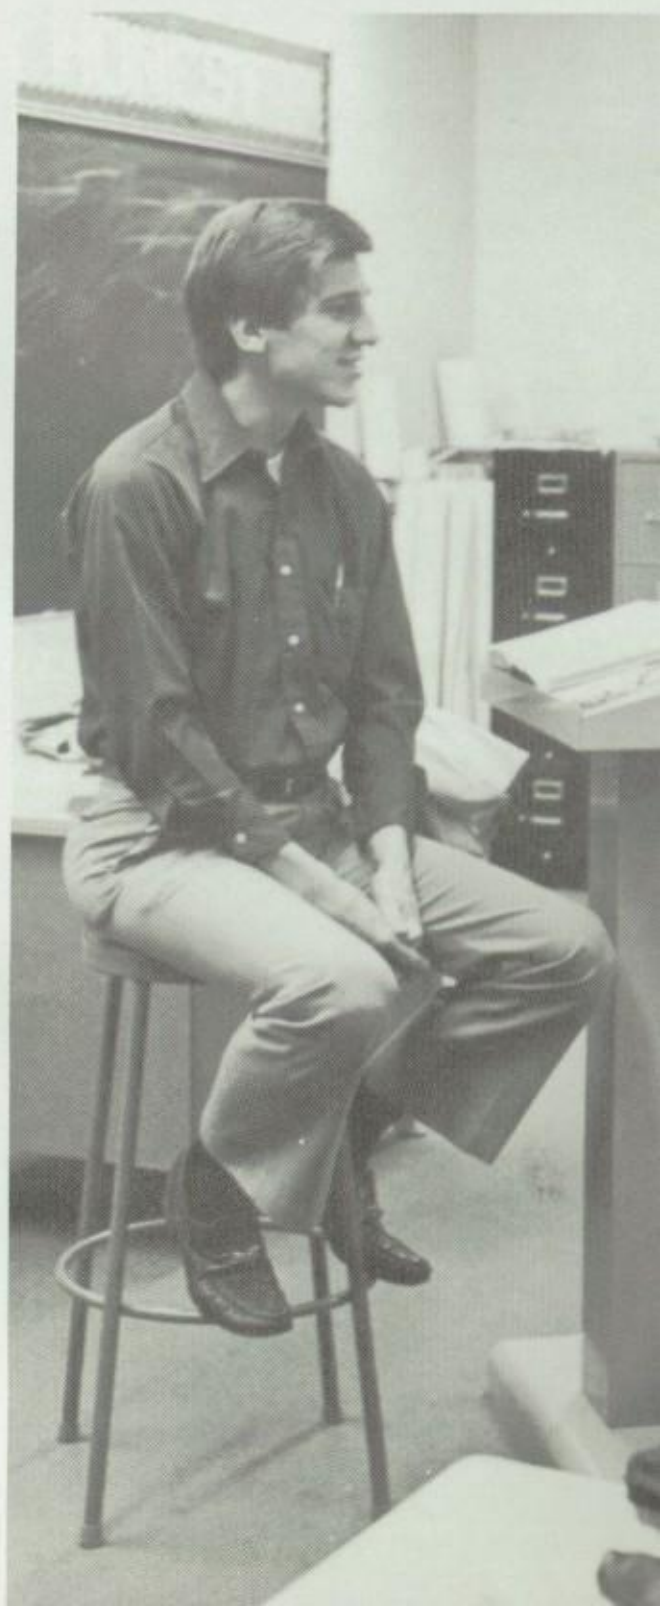

The Hero's Club, sponsored by Ms. Mary Cummings, was busy this year. They bought T-shirts, sold cupcakes and held parties for students at Christmas. Also in their itinerary was selling Chiefs' programs and attending a statewide meeting in Warrensburg. In case you didn't know HEROS stands for Home Economics and Related Occupations. This is the third year for this club which replaced the old FHA. Members were: Cindy Bailey, Debbie Boring, Stormey Bedford, Sheila Campbell, Stephanie Carter, Diana Diamond, Charles Dustin, Michelle Carter, Phyllis Gomez, Rhonda Hacker, Lisa Kennedy, Chuck Sims, Kathy Sperle and Sara Stimpfel.

The Belton Bible club met every Tuesday during Activity period. Anyone was welcome to attend. At each meeting there was a group discussion on a biblical topic. A guest minister came as speaker and leader for these discussions. The club was sponsored by Mrs. Sharon Horne.

A class new to the curriculum this year was TAPS II. It was designed for students who wanted to pursue a teaching career. In addition to daily work in an elementary school as a teachers aide, students were required to make lesson plans and teach for a day. Miss Dawn Abarr is program director.

Peer Counseling

Peer Counseling consists of juniors and seniors who meet regularly to play a role in counseling other students with need. "Throughout the semester, the students learn just what types of problems others face each day," commented Mrs. Ethyl Blankenship, the group sponsor. "They all work together for solutions."

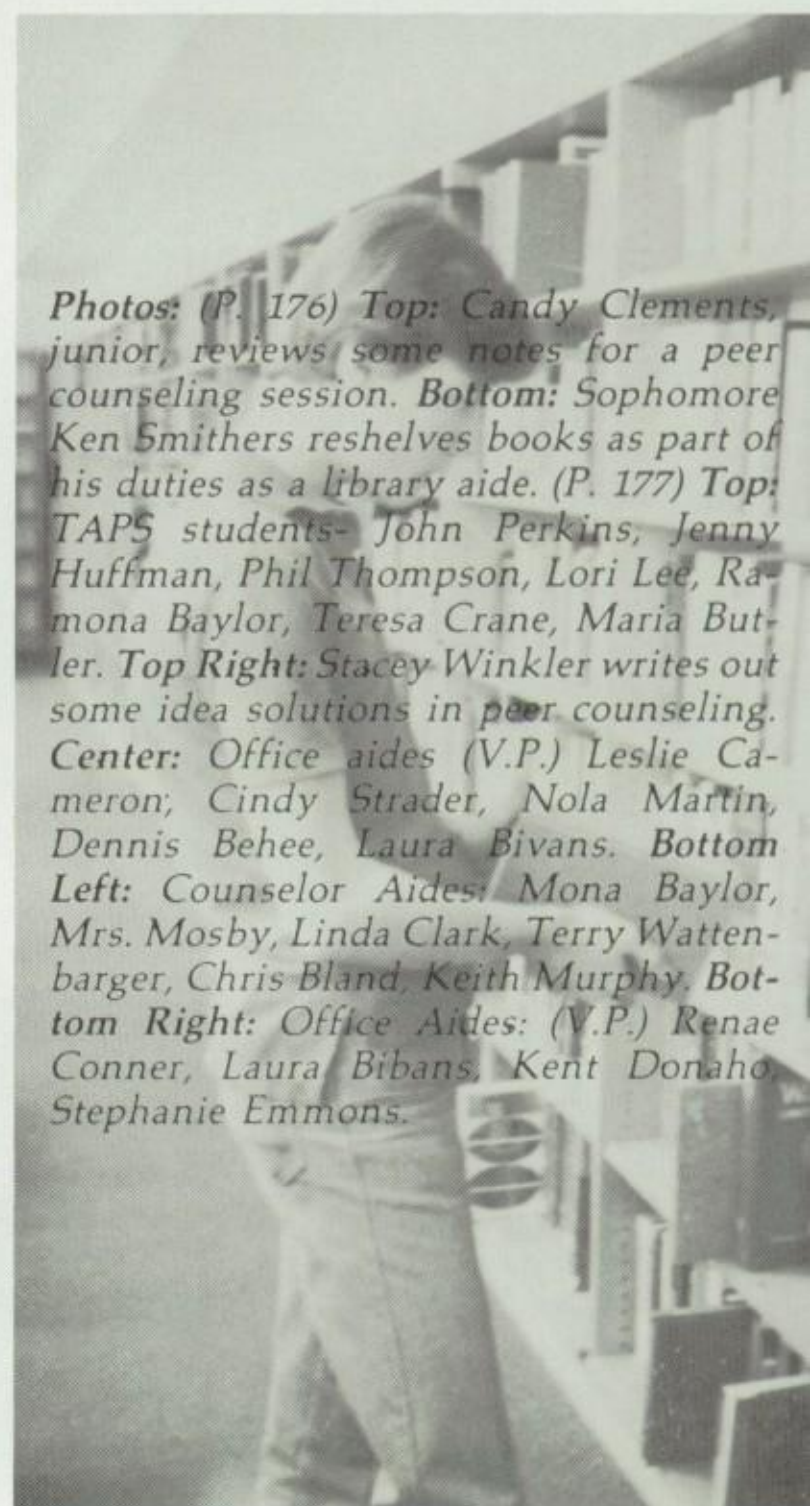

Office Aides

Picking up attendance cards, helping with book check-outs, filing, typing and many other routine, but, necessary jobs are done by student aides in various offices. Although no credit is given, being such as aide can give valuable experience in dealing with procedures and other people.

Work Study

Work Study is a program in which students are expected to work a minimum of ten hours per week. Contracts from employers certify the eligibility of students in the program. In addition, students have a faculty sponsor and complete "packets" during the semester. These packets deal with making decisions, future career work, handling job stress and setting goals. For many students, this program helps with financial and family problems.

*Gummy Bears, Shoelace Sales
Profitable For Language Clubs*

Active Throughout The Year

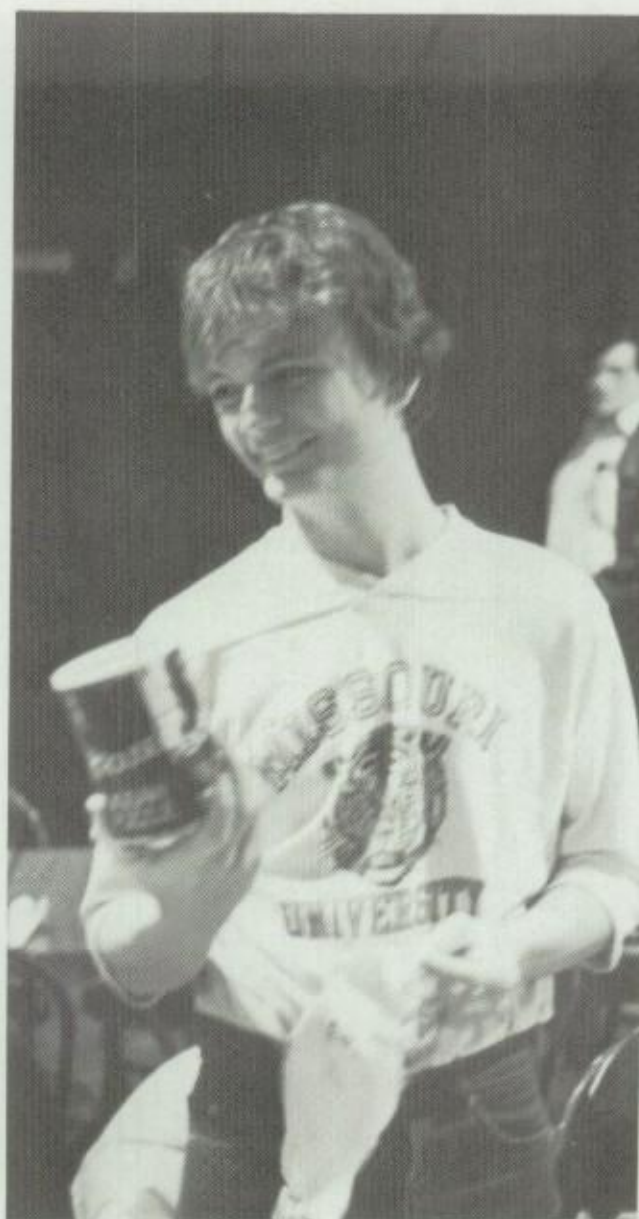

French Club Spanish Club

Members of the Spanish Club had an active year. Their first fund raiser which was selling baseball caps was not successful. Later, candy sales netted them big profits, however. "Gummy bears" from Germany, Toberone chocolate from Switzerland and strawberry filled suckers from Venezuela proved popular items. During the Christmas season, the group sold stockings filled with candy canes with messages in Spanish. Hillcrest elementary students were entertained with stories about Christmas in Mexico by the club.

The yearly philanthropic undertaking of the French club is the gathering of canned goods for Belton's needy during Christmas. This year class competition brought in over 1300 cans. French club donated pizza to the winning class as a prize. As a fund raiser, the club sold designer shoelaces, with hearts, stripes, frogs, etc. During Valentines week they also sold paper carnations with love messages. Club money raised went for scholarships. Miss Chopak, sponser of the group commented, "This is one of the best groups I had the pleasure of working with."

Character, Style, Pizazz Beltonian Staff

Much work goes into the creation of the Beltonian. We began even before the school year. A theme had to be decided, a standard layout style, a type style and many other particulars which students do not know of. At various summer meetings, the staff chose "FITTING IN" as a theme. With the consent of artist Tom Wilson, ZIGGY and his pooch friend FUZZ were "fit in" throughout the book. A concept design of a diamond was added to give a unique look to this year's layouts. The Beltonian staff faced many problems, but the hardest was a shorter deadline schedule. The class has only a single semester to get things done.

Striving to keep its top All-Missouri rating, the staff has created a book which it feels that students can enjoy for many years to come. Highlighting the year was our trip to the yearbook plant in Topeka (which never proves to be dull)! Our annual Christmas party at Keegan's signalled an X-rated end to our times together as a staff and the start of hectic final weeks of preparing pages for the final deadline. On February 9th, the staff honored the Beltonian court at half time of a varsity basketball game.

The Cutlass staff worked hard this year to put out a good quality paper. Their hard work payed off as they produced interesting stories in every issue. The staff improved the quality and appearance of the paper to make it more appealing to students. The staff took the name, **THE CUTLASS**, and highlited it throughout the paper by changing the column headings. For example, Cut-Above was outstanding athlete. Cut and Dried: editorial comment, Cut Loose: student opinion, and Cut Short: news briefs. The change proved to be successful.

Students Entertained By Freedom Jam

Students gathered in the gym Tuesday, December 1st, 1981 for a special 45 minute assembly featuring a band from Florida who called themselves Freedom Jam. The band also gave a performance that lasted two and a half hours that same night. The band performed hit songs by Journey, Styx, REO, and other songs of their own. A special feature of their day show was a patriotic skit interpreting the history of music. Their show concluded with one band member giving an inspiring talk about freedom. The students enjoyed the bands' performance very much and a large turnout appeared for the night show where tickets sold for \$3.75 before the event and \$5.00 at the door.

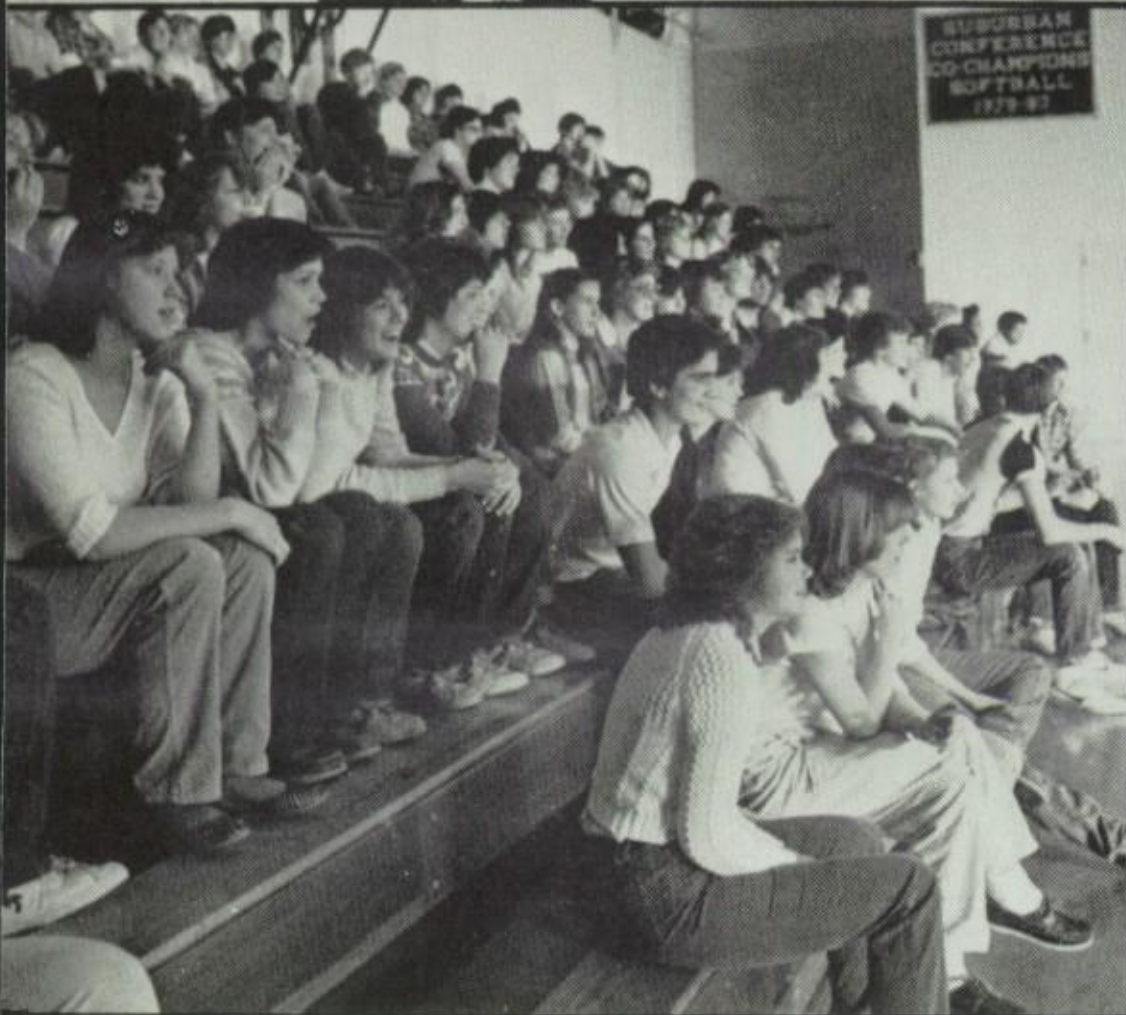

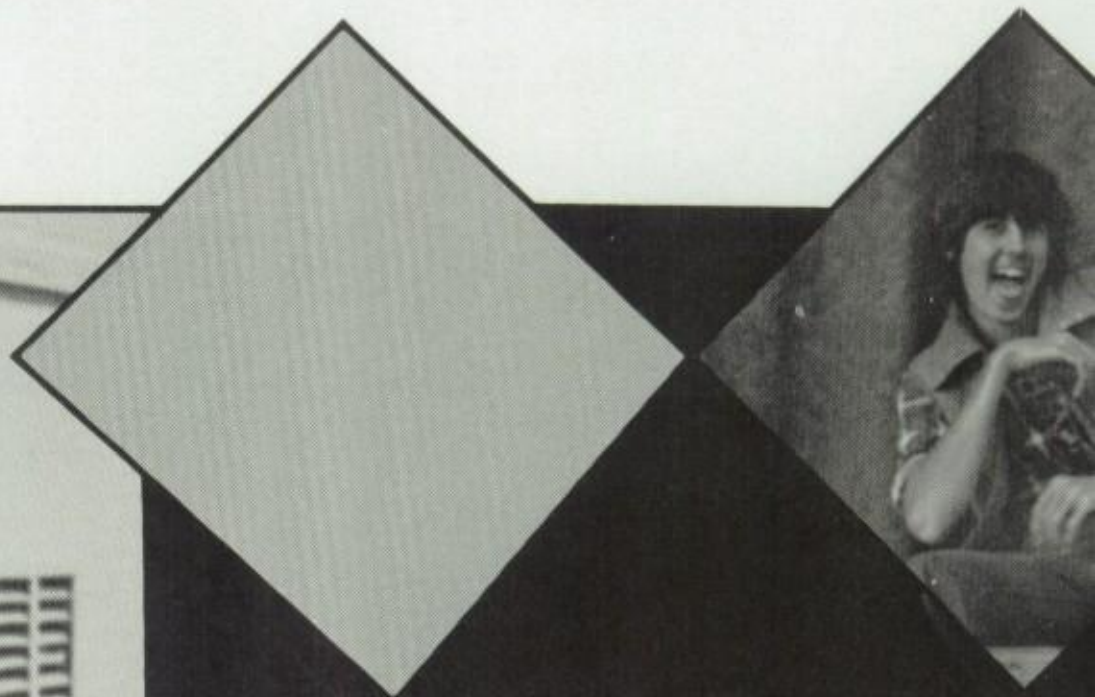

Sophomore Dana Feland stated "I didn't think that a band as good as they were would be at B.H.S., But they were excellent, especially at the night performance."

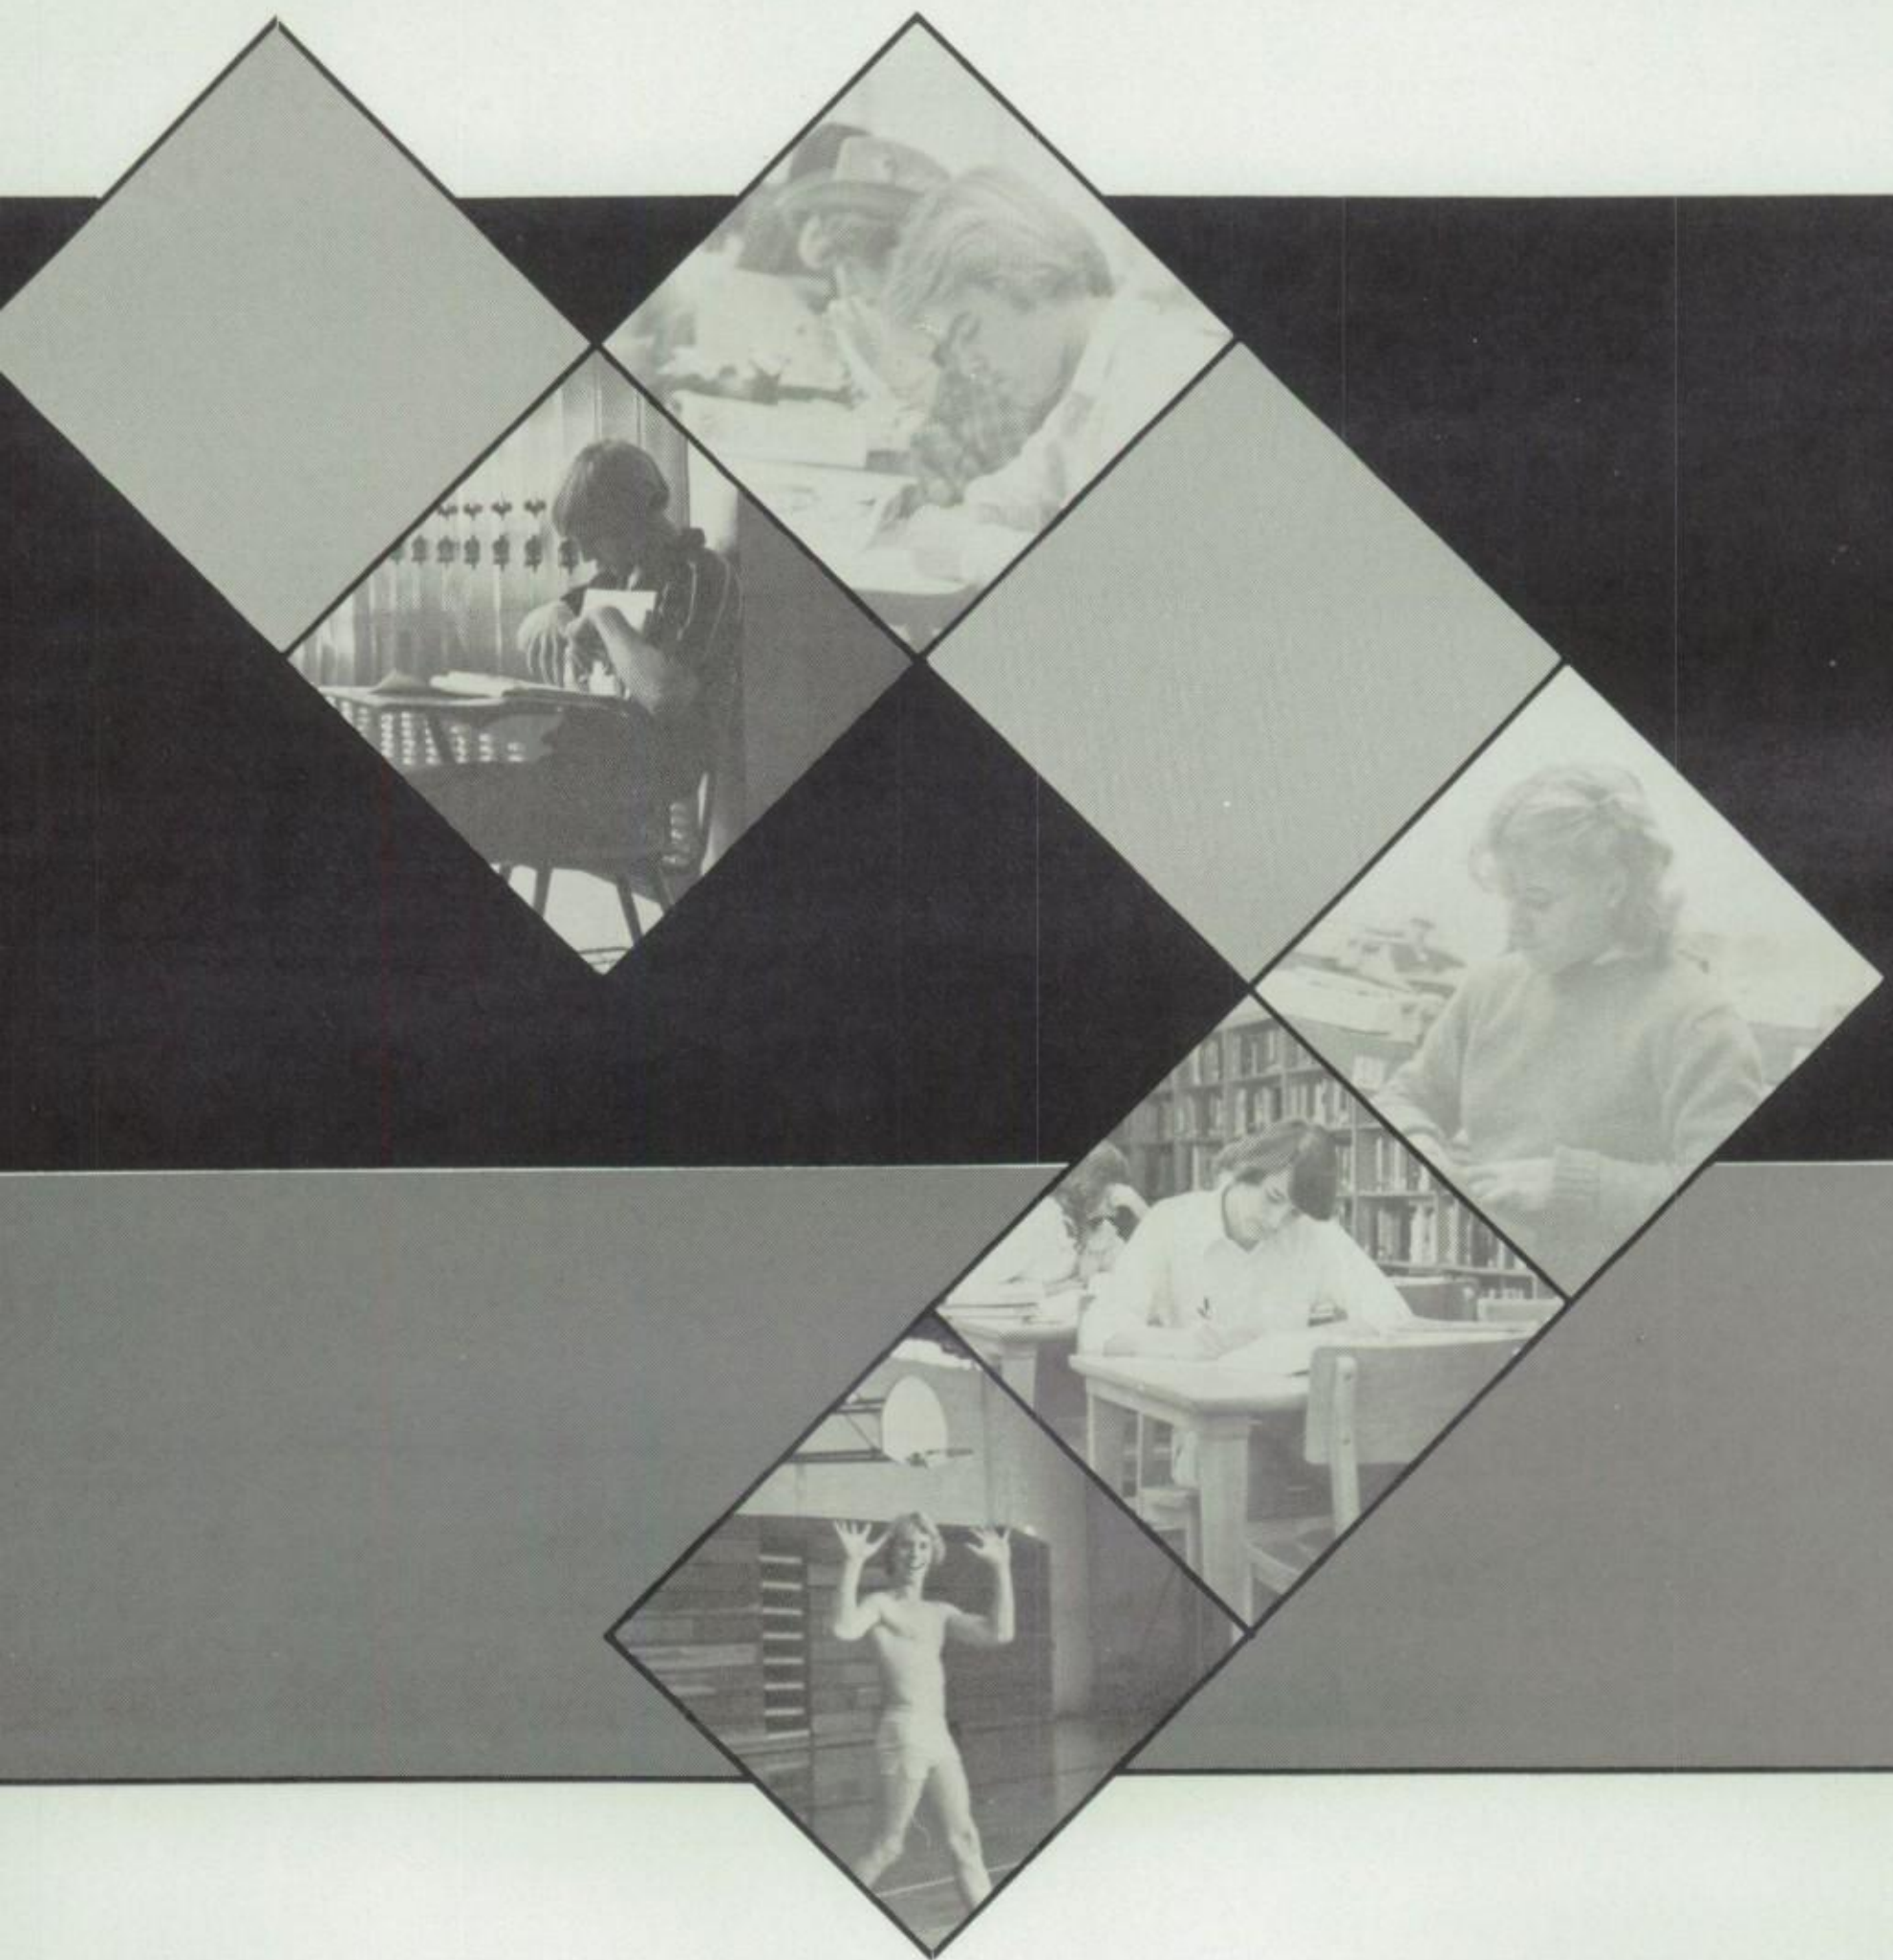

After the night performance the members of the band stayed around to sign autographs and sell group posters which were \$2.00 each. Some of the students got to talk with the members and have their pictures taken with them.

Homecoming Turns Out To Be A

Big Success For Sophomores

For the first time in many years, the Sophomore class walked away with first place honors in the Homecoming float contest. There was evidence of a lot of hard work and creative thought put into it. Sophomores had a lot of laughs and fun putting it all together. Thanks go to Cathy Culver and her parents who allowed it to be built in their back yard. The help they gave was appreciated. **Photos:** Left: Les Blackburn sways to the beat at a dance. Lower Left: Stan Greenwell posed as the terrified tiger on our float, while Missy Fager played the Papergirl. Lower Right: Sophomores stuff chicken wire with tissue to complete the "skirt" of the float.

The sophomores helped start off the year right by building a winning Homecoming float. The officers were instrumental in this undertaking.

After the year was "off and rolling, they decided on the Balfour Company for class rings. For money making projects, the class sold M & M's making approximately \$700.00.

At the spring Carnival they held the JAIL which proved to be a good money-maker. Students could put their friends and enemies in jail until they posted "bond" to get themselves out. Tony Smith was sponsored by the class for their candidate for Mr. BHS. Officers for the year were: Peter Murphy, Vice President; Todd Gillespie, President; Chris Martin, Secretary; Joe Falcon, Treasurer.

The end of the Beltonian '82 and this year
 The ruling Seniors of '82 go into the world to make their lives,
 The Junior class of '83 go on to be the ruling Seniors of '83,
 The sophomores become the Juniors,
 The Freshmen become the Sophomores.
 We all go on to "Fit In" ourselves in the world around us.
 Our success in life depends on the world, its condition, and
 more importantly,
 ourselves.

Lisa Ann Paul
